This book highlights the recent research on soft computing and pattern recognition and their various practical applications. It presents 62 selected papers from the 12th International Conference on Soft Computing and Pattern Recognition (SoCPaR 2020) and 35 papers from the 16th International Conference on Information Assurance and Security (IAS 2020), which was held online, from December 15 to 18, 2020. A premier conference in the field of artificial intelligence, SoCPaR- IAS 2020 brought together researchers, engineers and practitioners whose work involves intelligent systems, network security and their applications in industry. Including contributions by authors from 40 countries, the book offers a valuable reference guide for all researchers, students and practitioners in the fields of Computer Science and Engineering.

Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

A comprehensive guide to Tucson and surrounding areas with hundreds of lodging, dining, and recreational recommendations. Explore the friendly, laid-back, border city of Tucson with this comprehensive addition to the Great Destinations series. This place of red deserts, awe-inspiring mountains, and cactus forests is also replete with history: Tucson was originally settled by ancient Native American peoples, Spanish explorers, and Anglo frontiersmen, and their legacy is clearly evident. While the Tucson area holds special appeal for naturalists, hikers, and birdwatchers, there are countless outdoor recreation options available—everything from ballooning to trail riding on horseback—and myriad indoor options like museums and galleries, music and dance performances, too. Tucson ' s world-class resorts and spas, along with its top-rated golf courses, make it one of the best relaxation destinations in the country. And there ' s no better Sonoran food north of the Mexican border than here in the Old Pueblo. Tucson offers something for everyone. Detailed maps and the author ' s selective recommendations make this book a must-have for travelers and residents alike.

Master the fundamentals of discrete mathematics with DISCRETE MATHEMATICS FOR COMPUTER SCIENCE with Student Solutions Manual CD-ROM! An increasing number of computer scientists from diverse areas are using discrete mathematical structures to explain concepts and problems and this mathematics text shows you how to express precise ideas in clear mathematical language. Through a wealth of exercises and examples, you will learn how mastering discrete mathematics will help you develop important reasoning skills that will continue to be useful throughout your career.

InfoWorld is targeted to Senior IT professionals. Content is segmented into Channels and Topic Centers. InfoWorld also celebrates people, companies, and projects.

Insiders' Guide to Albuquerque is the essential source for in-depth travel and relocation information to one of New Mexico's most colorful cities. Written by a local (and true insider), this guide offers a personal and practical perspective of Albuquerque and its surrounding environs.

Cg is a complete programming environment for the fast creation of special effects and real-time cinematic quality experiences on multiple platforms. This text provides a guide to the Cg graphics language.
