240z - The Classic Zcar Club

The Datsun is finished in Safari Gold, which is probably not the most attractive color available in 1971. The paint is looking baked in a few spots, and there is evidence that suggests that the vehicle has received at least a partial repaint at some point. However, that isn't this car's most significant issue.

There is a lot to love about the original Datsun/Nissan L-Series engine that every S30 came with from the factory. The legendary 6-cylinder L24 powered every 240Z that Datsun produced, but that didn't stop people from wanting a bit more power. With a measly curb. weight of around 2,300 lbs., the 240Z is a prime candidate for some amazing engine swaps and hobbyists have been throwing new ...
