Comprehensive, technically accurate, and up-to-date, HEAVY DUTY TRUCK SYSTEMS, 6E is the best-selling introduction to servicing medium- and heavy-duty trucks. Now in striking full color, the sixth edition helps users develop a strong foundation in electricity and electronics, power train, steering and suspension, brakes, and accessories systems and presents introductory material on servicing, safety, tools, and preventive maintenance. This edition is updated with full coverage of ASE Education Foundation competencies and the latest technology, including 2014 J1939 updates and access tools, Wingman radar, CMS, and Allison TC10 transmissions (introduced in 2013). The book's proven pedagogy is enhanced by extensive sets of review questions and over 1700 full-color photographs and pieces of art that help readers visualize key concepts and servicing procedures. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

When a schoolbus has extra air put into his new tires, he begins behaving most uncharacteristically.

Christianity Today 1994 Critics Choice Award winner 1993 Christian Booksellers Association/Europe Book of the Year Award winner People today reject Christianity not because they think it is false but because they believe it is irrelevant. John Stott knows otherwise. In this book he challenges all of us to move with the times while standing firmly on the truth of God's Word. "To be 'contemporary' is to live in the present," Stott writes. "To be a contemporary Christian, however, is to ensure that our present is enriched both by our knowledge of the past and by our expectation of the future." The challenge, then, is to be both conservative and radical—conservative in guarding God's revelation and radical in applying that revelation to the realities of the contemporary world: space travel, homelessness, genetic engineering, pollution, war, health care, gang violence, education and more. Opening our eyes to the Word and the world, Stott shows how Christianity can speak effectively and relevantly to the contemporary world. He includes chapters on the human paradox, authentic freedom, mind and emotions, evangelism and social action, the pastoral ideal and dimensions of renewal. For those familiar with Stott, The Contemporary Christian is a "must-read" book. For those who have not yet benefited from his insight and passion, The Contemporary Christian affords the perfect opportunity to get acquainted with one of the most widely read and respected Christian thinkers at work today.
