International Harvester Trucks: The Complete History tells the complete story of the light, medium, and heavy-duty trucks, vans, and station wagons built by International Harvester during over a century of production.

SAE J1939 has become the accepted industry standard and the vehicle network technology of choice for off-highway machines. This resource provides profound information on the J1939 message format and network management.

Second edition. Fred Crismon's timeless classic. A photographic history of International Trucks from 1902-2002. Approximately 2500 b/w photos. Considered by many to be the most authoratative work ever done on International Trucks.

Sometimes the steamiest encounters are the most unexpected. You never know who might be the dominant you've been looking for... Unlikely Doms is a collection of four great stories from the popular Unlikely Doms series, all in a single

collection for one low price. Each story is a hot standalone featuring a guy who you might not expect to be so alpha. But despite his appearance, he knows how to take a woman in hand. This steamy collection includes: Alpha in A Sweater Vest Katie is recently divorced and looking for someone to help her explore her wild side. She wasted too many years with a husband who refused to meet her darkest needs. Now that Katie is single, how hard can it be to find someone who will pull her over their knee and punish her the way she's fantasized about for years? When a nondescript stranger catches her searching spanking websites in a coffee shop, he offers her the chance to work with an experienced dom. But is the guy in the sweater vest for real? He looks like a geeky accountant, not one of the stern alpha heroes in a romance book. Surely he can't dominate her the way she longs for - or can he? Sometimes looks can be deceiving, and the curvy divorcee is about to learn that lesson the hard way. Alpha Plumber Emma's shower breaks and she is shocked when her landlord sends over the hottest plumber on the planet. There's not a plumber's crack to be found on this drool-worthy man - though he is rocking a six-pack. But when the plumber catches her brazenly watching him, he decides she needs to be punished for her bad behavior. Emma never imagined that the service call would end in her going over his knee and calling him "Daddy". But for this baby girl, her first spanking has a very happy ending. Alpha Student Single mom Sandy has been lusting after the hot young college student who hangs out at her house for four years now. She knows it's wrong, but she just can't help but daydream about the handsome football player and his big strong body. Daniel is twenty-one now, legally an adult. He's preparing to graduate from college and move across the country. This may be the last weekend he will be staying at his friend's house - and seeing the super hot MILF. Sandy is not the only one who has been fantasizing about acting on the strong attraction between them. When the two are left alone in the house, Daniel decides to give in to his longing for Sandy. But first, he is going to punish her for her inappropriate crush on him. Something tells him that Sandy is going to enjoy getting a spanking...and he's not wrong. Who knew that the kid she has been watching is so confident? So dominant? So skilled with his....mouth? And who knew that getting spanked for the first time could be so satisfying? Alpha Yogi Mariah is trying to be healthier by taking yoga, but she's having a hard time turning off her mind during class. Instead of focusing on the movements and calming her mind, she's rushing in late, reading texts on her watch, and judging her own curvy body. Arjun doesn't tolerate bad behavior in his yoga classes. He suggests that Mariah take a private class with him so she can improve her practice. However, Mariah soon learns that Arjun isn't a traditional yoga teacher. His methods are...a bit unusual. But they definitely get results. And when their class is over, everyone will be feeling a lot more relaxed. Save money and pick up these great stories today!
