Most people fail to see the correlation between business and brains. For Yitzchok Saftlas, master of marketing, it seems readily transparent. During our challenging economic times, when people desperately seek to recharge themselves on various planes, Saftlas presents us with *So, Whats the Bottom Line?* taken from his real-life experiences and knowledge from a two and a half decade career as founder and president of his own marketing consulting company, Bottom Line Marketing Group. Perfect for executives, entrepreneurs, salespeople, and marketers in the corporate and nonprofit spheres, *So, Whats the Bottom Line?* teaches key business fundamentals, such as creative marketing initiatives, effective communication, customer retention, and strategic planning and execution. The stories, examples, and practical insight demonstrate the principles and practices leading to winning results and how to think like a savvy individual prepared for success. Ideas such as how you gain by thanking your customers and making your clients priorities yours may seem basic. Others, such as learning from Rufus the Dog or gaining insight into the value of performing market research and demographic studies from your local dry cleaners, may not be as obvious. Wise and to the point, each of the 76 short and motivational chapters includes a concise action step, providing a clear direction of how to succeed. Prepare to be enthralled as you uncover Saftlass acumen derived from his exposure to extraordinary people, events, and institutions. It will shed an often unseen human light on the field of marketing. Gain experience-based tactics, common-sense ideas, and principles to grow your bottom line.,

Many drivers dream of owning a Porsche, particularly an example of the legendary 911, but to many this ambition appears to be beyond reach. This comprehensive guide, written in straightforward, down-to-earth style, aims to inspire would-be Porsche owners to turn their dreams into reality, by identifying and providing inside information on the models that can be bought for a target outlay of around \$20,000. Advice is provided on buying, repairing and running the cars cost-effectively, including suggestions on

MARKETING STRATEGY, 6e, International Edition edition emphasizes teaching students to think and act like marketers. It presents strategy from a perspective that guides strategic marketing management in the social, economic, and technological arenas in which businesses function today--helping students develop a customer-oriented market strategy and market plan. Its practical approach to analyzing, planning, and implementing marketing strategies is based on the creative process involved in applying marketing concepts to the development and implementation of marketing strategy. An emphasis on critical thinking enables students to understand the essence of how marketing decisions fit together to create a coherent strategy. Well-grounded in developing and executing a marketing plan, the text offers a complete planning framework, thorough marketing plan worksheets, and a comprehensive marketing plan example for students to follow.
