7 Used from £1.63 2 New from £8.98 A debut novel in the vein of Greene and le Carré, A Dying Breed is a brilliant and gripping story of the politics of news reporting, intrigue and blood set between the dark halls of Whitehall, the shadowy corridors of the BBC and the perilous streets of Kabul, in the shadowy le Carré-esque world of foreign correspondents reporting from war zones around the world.

~~Dying Breed Compilation Volume One~~

The book is set in London and Aghanistan and involves an old-school BBC reporter (the dying breed of the title) who has discovered a story which The Authorities don't want brought to light. Put that crudely, it sounds very hackneyed, but it is so well done that it felt very fresh and I became completely involved.

echoes of Graham Greene and John le Carré, William Carver, a veteran but unpredictable BBC hack, is thrown into the unknown when a bomb goes off killing a local official. Warned off the story from every direction, Carver won't give in until he finds the truth. Patrick, a young producer, is sent out on his first foreign assignment to control the wayward Carver, but as the story unravels it looks like the real story lies between the shadowy corridors of the BBC, the perilous streets of Kabul and the dark chambers of Whitehall. Set in a shadowy world of dubious morality and political treachery, A Dying Breed is a gripping novel about journalism in a time of war, about the struggle to tell the stories that need to be told - even if it is much easier not to. \*And William Carver returns in Peter Hanington's new novel, A Single Source - out now\*

The true story of a WWII air combat B-17 crew's amazing courage, touching camaraderie, uplifting faith and indomitable spirit as they fought and died over the skies of Germany.

Michael is an attractive, athletic, widower police officer with two wonderful small children. Michael serendipitously crosses paths with a new type of serial killer who is good looking, highly intelligent, highly trained when it comes to fighting, and deeply believes that everything he does is for a greater good. Michael unexpectedly finds love with a beautiful young woman named Bailey who somehow gets intertwined in his dealings when it comes to this charismatic murderer. Michael must find a way to defeat both his own personal demons and those belonging to this unique form of evil as he is forced to watch Bailey succumb to horrific acts of mutilation. Michael and Bailey both share extremely passionate and intimate moments in the most beautiful and dazzling of backdrops, but this only makes it more difficult for Michael to keep his emotions in check as he attempts to help Bailey overcome the atrocities inflicted by this most iniquitous of criminals. "Great Book really enjoyed it. Great talent. Eagerly awaiting your next release." -Mary Hall Cochran, "Capitol Police Officer Pens Crime Novel" by Rusty Marks, January 28, 2018, West Virginia News

Her climb in the dope game earned her the attention of everyone, including the Feds! And people she broke bread with would rather send the Drug Task Force to her door than keep the code of silence...

Before you, a story of urban love, criminal genius, unbridled ambition and the ruthless pursuit of power, with a cast of characters one will not easily forget. Omar Grey, a child raised into a dope infested, impoverished environment, but determined by any means necessary to lift himself and his family from the muck and mire in which they live. Funky Slim, a Shakespearian, Edgar Allan Poe, Kipling quoting dope fiend, who would find in the fertile mind of young Omar a child with a rapacious appetite for learning and a near photographic mind. Mitch, Omar's uncle, the breadwinner in Omar's drug dealing family and the only father and role model he has ever known. Mary, the bi-racial beauty who at the tender age of fourteen, with the body of a woman, but the mind of a child, finds the easy money and allure of prostitution a temptation she cannot resist. Insightful social commentary, Machiavellian twist, heartbreaks and betrayal.... "Last of a Dying Breed" has it all.

This book is basically about law enforcement personnel, NYPD and DEA who were tough, fair, honest and cops who had guts. They did their jobs and were not afraid to make decisions. They are the Dying Breed, who exists no more. It has fantastic stories about the actions these

“For sheer adventure L’Amour is in top form.”—Kirkus Reviews Here is the kind of authentically detailed epic novel that has become Louis L’Amour’s hallmark. It is the compelling story of U.S. Air Force Major Joe Mack, a man born out of time. When his experimental aircraft is forced down in Russia and he escapes a Soviet prison camp, he must call upon the ancient skills of his Indian forebears to survive the vast Siberian wilderness. Only one route lies open to Mack: the path of his ancestors, overland to the Bering Strait and across the sea to America. But in pursuit is a legendary tracker, the Yakut native Alekhin, who knows every square foot of the icy frontier—and who knows that to trap his quarry he must think like a Sioux. Louis L’Amour’s Lost Treasures is a project created to release some of the author’s more unconventional manuscripts from the family archives. In Louis L’Amour’s Lost Treasures: Volumes 1, Beau L’Amour takes the reader on a guided tour through many of the finished and unfinished short stories, novels, and treatments that his father was never able to publish during his lifetime. L’Amour’s never-before-seen first novel, No Traveller Returns, faithfully completed for this program, is a voyage into danger and violence on the high seas. These exciting publications will be followed by Louis L’Amour’s Lost Treasures: Volume 2. Additionally, many beloved classics will be rereleased with an exclusive Lost Treasures postscript featuring previously unpublished material, including outlines, plot notes, and alternate drafts. These postscripts tell the story behind the stories that millions of readers have come to know and cherish.
