DIVThe best way to learn to draw is to DRAW! And this little book is going to help you do just that. It ' s filled with 900 inspiring, modern fashion drawings./div

A draw along workbook that addresses the mechanical technique of figure drawing. The easy-to-grasp system of proportions assures an accurate human figure, and step-by-step exercises will help you make the figure seem to move on the page. Once you've got that down, you may move on to the techniques needed to clothe the figure, including a study in fabric hang, drape, and fold.

Comprehensive, user-friendly guide combines four vintage instructional manuals by a famous teacher. Step-by-step drawings with helpful comments explain principles of figure and fashion drawing. Techniques include pencil, pen, wash, and opaque.

Drawing and Rendering for Theatre, A Practical Course for Scenic, Costume, and Lighting Designers is designed for those of you who are theatrical designers and want to improve your drawing and rendering skills. This gorgeous full-color book includes many examples of student drawings, analyzed and critiqued for areas that need improvement. It also includes numerous examples of design renderings by professional theatrical designers. In addition to the general sections on drawing and painting, it includes separate chapters on costume, scenic, and lighting rendering that include information specific to these design areas.

Describes techniques for designing costumes for theatrical productions and discusses how to start a professional career in the costume design business
