muscles! Finances: in the black. Friskiness? Total. Effing. Fail. So she attends the notorious Shadowlands club's open house. There, a sadistic Dom—a fellow professor--teaches her that she loves pain with her pleasure. He wants to show her more. Despite the razor edges of his hard face and the authority in his every word, he's careful and caring. He listens, and how tempting is that? But she knows better. Her heart is off-limits. Retired Special Forces colonel, Ghost has been a widower for long enough. Although he's ready to love again, the generous, caring woman he desires has scars from her past. However, he has hard-won skills, enough to show Valerie there can be a new F on her list—fulfillment. Life looks good. Until his past surfaces, shattering his new life and the love he'd hoped to win. --- I love that I can dive into a Masters of The Shadowlands book and get lost and come out feeling warm, safe, and floaty. Just like being in "sub space". ~ Marie's Tempting Reads

Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too;, now that my software company is making headlines. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?

From bestselling author L A Cotton, comes a forbidden age-gap romance. Angst... drama... friendship... and football. Will you survive senior year? Peyton Myers has always been the life of the party. It was only supposed to be one time. But that red-hot one night stand from the party? The sexy man in the suit who gave me more Os in a few hours than I've had in a year? Turns out my charming British stranger is keeping a little secret. He's as much of a whiz in the kitchen as he is in the bedroom and soon we'll be going head-to-head in NYC's biggest bake off. My one-time lover is now my enemy. I vow to loathe him for all eternity, though that would be easier if I wasn't dying to get naked with him again. But the more I learn more about my rival, the more I suspect he just might be everything I've wanted... If only I knew how to let him in...
