This stove is designed to burn natural wood only. Higher efficiencies and lower emissions generally result when burning air-dried seasoned hardwoods, as compared to softwoods or to green or freshly cut hardwoods. DO NOT BURN the following: treated wood, coal, garbage, solvents, colored papers, or trash.

as her family settles into their remote cabin on Uyak Bay for the height of salmon season. With this connection to thousands of years of fishing and gathering at its core, *Gaining Daylight* explores what it means to balance lives on two islands, living within both an ancient way of life and the modern world. Her personal essays integrate natural and island history with her experiences of fishing and family life, as well as the challenges of living at the northern edge of the Pacific. Loewen's writing is richly descriptive; readers can almost feel heat from wood stoves, smell smoking salmon, and spot the
