On Saturday (Oct. 16), the Lucy spacecraft will blast off Earth, and Johanson will be on the scene at Cape Canaveral Space Force Station for his first-ever rocket launch. You can watch it live here ...

This collection of short stories from the author of Birds of a Lesser Paradise depicts the forgotten lives of women who almost achieved fame and notoriety, including Lord Byron's illegitimate daughter, Oscar Wilde's niece and Edna St. Vincent Milay's sister. 30,000 first printing.

From a prizewinning, beloved young author, a provocative collection that explores the lives of colorful, intrepid women in history. "These stories linger in one's memory long after reading them" (Star Tribune, Minneapolis). The fascinating characters in Megan Mayhew Bergman's "collection of stories as beautiful and strange as the women who inspired them" (Kirkus Reviews, starred review) are defined by their creative impulses, fierce independence, and sometimes reckless decisions. In "The Siege at Whale Cay," cross-dressing Standard Oil heiress Joe Carstairs seduces Marlene Dietrich. In "A High-Grade Bitch Sits Down for Lunch," aviator and writer Beryl Markham lives alone in Nairobi and engages in a battle of wills with a stallion. In "Hell-Diving Women," the first integrated, all-girl swing band sparks a violent reaction in North Carolina. Other heroines, born in proximity to the spotlight, struggle to distinguish themselves: Lord Byron's illegitimate daughter, Allegra; Oscar Wilde's wild niece, Dolly; Edna St. Vincent Millay's talented sister, Norma; James Joyce's daughter, Lucia. Almost Famous Women offers an elegant and intimate look at artists who desired recognition. "By assiduously depicting their intimacy and power struggles, Bergman allows for a close examination of the multiplicity of women's experiences" (The New York Times Book Review). The world wasn't always kind to the women who star in these stories, but through Mayhew Bergman's stunning imagination, they receive the attention they deserve. Almost Famous Women is "addictive and tantalizing, each story whetting our appetite for more" (Atlanta Journal-Constitution).

Presents a collection of stories focusing on the moments when bonds with nature become evident, including the story of a mother and son attempting to reclaim an African gray parrot and of a population control activist who longs to have a baby.

An evocative and engrossing collection of new stories and a novella about women experiencing life's challenges and beauty from the award-winning writer Megan Mayhew Bergman. A recently separated woman fills a huge terrarium with endangered flowers to establish a small world only she can control in an attempt to heal her broken heart. A competitive swimmer negotiates over which days she will fulfill her wifely duties, and which days she will keep for herself. A peach farmer wonders if her orchard will survive a drought. And generations of a family in South Carolina struggle with fidelity and their cruel past, some clinging to old ways and others painfully carving new paths. In these haunting stories, Megan Mayhew Bergman portrays women who wrestle with problematic inheritances: a modern glass house on a treacherous California cliff, a water-starved ranch, and an abandoned plantation on a river near Charleston. Bergman's provocative prose asks the questions: what are we leaving behind for our ancestors to hold, and what price will they pay for our mistakes?

"If anyone is going to explore a future version of our high-tech, internet-obsessed culture, please let it be Megan Angelo. Followers is pure gold." —Abbi Jacobson, bestselling author and cocreator of Broad City "An intricate and brave story of friendship, ambition, and love and the lengths people will go to protect it all." —Booklist, *starred review* "Spectacular… the tale skillfully builds to a terrifyingly believable climax…Angelo delivers a strong, consistently fascinating debut." —Publishers Weekly, *starred review* "Endless clever details and suspenseful plotting make this speculative-fiction debut an addictive treat." —Kirkus Reviews, *starred review* An electrifying story of two ambitious friends, the dark choices they make and the stunning moment that changes the world as we know it forever Orla Cadden is a budding novelist stuck in a dead-end job, writing clickbait about movie-star hookups and influencer yoga moves. Then Orla meets Floss—a striving, wannabe A-lister—who comes up with a plan for launching them both into the high-profile lives they dream about. So what if Orla and Floss's methods are a little shady—and sometimes people get hurt? Their legions of followers can't be wrong. Thirty-five years later, in a closed California village where government-appointed celebrities live every moment of the day on camera, a woman named Marlow discovers a shattering secret about her past. Despite her massive popularity—twelve million loyal followers—Marlow dreams of fleeing the corporate sponsors who would do anything to keep her on-screen. When she learns that her whole family history is based on a lie, Marlow finally summons the courage to run in search of the truth, no matter the risks. Followers traces the paths of Orla, Floss and Marlow as they wind through time toward each other, and toward a cataclysmic event that sends America into lasting upheaval. At turns wry and tender, bleak and hopeful, this darkly funny story reminds us that even if we obsess over famous people we'll never meet, what we really crave is genuine human connection.

Megan Rapinoe, Olympic gold medallist and two-time Women's World Cup champion, has become a galvanizing force for social change; here, she urges all of us to take up the mantle, with actions big and small, to continue the fight for justice and equality. Using anecdotes from her own life and career, from suing the United States Soccer Federation alongside her teammates over gender discrimination to her widely publicized refusal to visit the White House, Rapinoe discusses the obligation we all have to speak up, and reveals the impact each of us can have on our communities.

The instant New York Times bestseller. "An instant classic of investigative journalism…'All the President's Men' for the Me Too era." — Carlos Lozada, The Washington Post From the Pulitzer Prize-winning reporters who broke the news of Harvey Weinstein's sexual harassment and abuse for the New York Times, Jodi Kantor and Megan Twohey, the thrilling untold story of their investigation and its consequences for the #MeToo movement For many years, reporters had tried to get to the truth about Harvey Weinstein's treatment of women. Rumors of wrongdoing had long circulated. But in 2017, when Jodi Kantor and Megan Twohey began their investigation into the prominent Hollywood producer for the New York Times, his name was still synonymous with power. During months of confidential interviews with top actresses, former Weinstein employees, and other sources, many disturbing and long-buried allegations were unearthed, and a web of onerous secret payouts and nondisclosure agreements was revealed. These shadowy settlements had long been used to hide sexual harassment and abuse, but with a breakthrough reporting technique Kantor and Twohey helped to expose it. But Weinstein had evaded scrutiny in the past, and he was not going down without a fight; he employed a team of high-profile lawyers, private investigators, and other allies to thwart the investigation. When Kantor and Twohey were finally able to convince some sources to go on the record, a dramatic final showdown between Weinstein and the New York Times was set in motion. Nothing could have prepared Kantor and Twohey for what followed the publication of their initial Weinstein story on October 5, 2017. Within days, a veritable Pandora's box of sexual harassment and abuse was opened. Women all over the world came forward with their own traumatic stories. Over the next twelve months, hundreds of men from every walk of life and industry were outed following allegations of wrongdoing. But did too much change—or not enough? Those questions hung in the air months later as Brett Kavanaugh was nominated to the Supreme Court, and Christine Blasey Ford came forward to testify that he had assaulted her decades earlier. Kantor and Twohey, who had unique access to Ford and her team, bring to light the odyssey that led her to come forward, the overwhelming forces that came to bear on her, and what happened after she shared her allegation with the world. In the tradition of great investigative journalism, She Said tells a thrilling story about the power of truth, with shocking new information from hidden sources. Kantor and Twohey describe not only the consequences of their reporting for the #MeToo movement, but the inspiring and affecting journeys of the women who spoke up—for the sake of other women, for future generations, and for themselves.

Provides a portrait of Thoreau's editor and Emerson's friend, who was also a daring war correspondent and a crusader for women's rights who had a passion for her life's work, which was eclipsed by tragedy and scandal after her death at the age of forty.

A childhood accident left Emmaline vulnerable to disturbing fugue states that last minutes but feel like an eternity. The blackouts are unsettling but manageable…until she meets Johnny Dellasandro. The painter gained fame in the Õ70s for his debauched lifestyle and raunchy art films. His naked body achieved cult status, especially in Emm's mind—she's obsessed with the man, who's grown even sexier with age. Today he shuns the spotlight and Emm…until she falls into a fugue on his doorstep. In that moment she's transported back thirty years, crashing a party at Johnny's place. The night is a blur of flesh and heat that lingers long after she's woken to the present. It happens again and again, each time-slip a mind-blowing orgy, and soon Emm can't stop, though every episode leaves her weaker. She's scared by what's happening, but she's even more terrified of losing this portal to the Johnny she wants so badly. The one who wants her and takes her—every chance he gets. Originally published in 2011

An Instant New York Times Bestseller A TODAY Show #ReadWithJenna Book Club Pick New York Times bestselling and award-winning author Megan Abbott's exquisite and disquieting new novel, "dark and juicy and tinged with horror" (The New York Times Books Review), set against the hothouse of a family-run ballet studio. With their long necks and matching buns and pink tights, Dara and Marie Durant have been dancers since they can remember. Growing up, they were homeschooled and trained by their glamorous mother, founder of the Durant School of Dance. After their parents' death in a tragic accident nearly a dozen years ago, the sisters began running the school together, along with Charlie, Dara's husband and once their mother's prized student. Marie, warm and soft, teaches the younger students; Dara, with her precision, trains the older ones; and Charlie, sidelined from dancing after years of injuries, rules over the back office. Circling around one another, the three have perfected a dance, six days a week, that keeps the studio thriving. But when a suspicious accident occurs, just at the onset of the school's annual performance of The Nutcracker—a season of competition, anxiety, and exhilaration—an interloper arrives and threatens the sisters' delicate balance. Taut and unnerving, The Turnout is Megan Abbott at the height of her game. With uncanny insight and hypnotic writing, it is a sharp and strange dissection of family ties and sexuality, femininity and power, and a tale that is both alarming and irresistible.
