Master this technique with everything from felting basics to fabulous clothing to décor projects. There's something magical about felting knits: You start with a piece of fabric that looks and feels a certain way and, by exposing it to water and agitation, finish with one that looks and feels completely different. This fascinating transformation is what led author Leigh Radford to begin felting years ago, and has kept her intrigued by the process ever since. Now, in *AlterKnits Felt*, Radford pushes the boundaries of traditional felting, as she did with traditional knitting in her earlier book, *AlterKnits*. Through 30 colorful, vibrant projects, she shows readers how to knit and then felt their own handiwork, as well as how to create gorgeous felted objects from recycled knits and unspun fiber. An introductory chapter on felting basics explains everything you need to know to make the fabulous clothes, accessories, and home decor that follow. The projects range from a quick and easy circle coin purse, to a shibori bag, to a reverse-appliqué rug, each unusual in its own way, distinguished by a special surface texture, an innovative mix of techniques, or a quirky combination of yarns. *AlterKnits Felt* provides every crafter with the tools to explore—and expand—the art of felting.

Offers instructions for creating twenty-seven innovative projects, including a modern bustier, crepe paper crown, lace-up fingerless gloves, faux ruffle tank, and herringbone leather cuffs.

Knitters will find specific techniques and instructions for felting their knitting in this detailed step-by-step introduction, including how to felt on purpose and not by mistake, techniques for both hand and machine felting, and choosing and testing yarns. They'll also learn whether knitting swatches is really necessary and how big to knit a piece before felting. Twenty-four detailed projects include stylish bags, totes, hats, and mittens; warm and fuzzy vests and slippers; and decorative pillows, placemats, and coasters. With a section on embellishing felting and felting on felt (needle felting), knitters will be inspired to create these beautiful projects for friends and family, from the baby's first felt hat to the furry slippers for cold winter nights.

The author of *AlterKnits Felt* shows knitters how to turn a little yarn into fun projects and gifts—including baby clothes, bags, and household items. “Two needles and one (or one more) skein of yarn—the possibilities never cease to amaze me,” writes Leigh Radford in the introduction to her new book. Radford's fascination with the creative potential of these raw materials is evident throughout *One More Skein*, where she melds the alternative approach to knitting and felting she introduced in *AlterKnits* and *AlterKnits Felt* with the magic she worked with a single skein of yarn in the bestselling *One Skein*. *One More Skein* features 30 diverse projects that can be completed with one or two average-sized skeins of yarn or multiple bits of leftover yarn. Projects include an earflap hat sized for the whole family; fingerless mitts; sweaters, britches, and capelets for baby; hemp jewelry embellished with jump ring “beads”; a felted, pleated sleeve to dress up a vase; and a multicolored blanket worked from assorted stash yarn. All of them are quick and relatively easy to make, without sacrificing beauty or ingenuity.
