About the Book This book is my personal experience about making a living from Amazon affiliate program. It's the first edition and was published in 2019. I wrote it to teach you step by step how I make a consistent \$20 to \$40 daily income from the Amazon associate program. I'm making a bold claim right now. If you read and implement what you're going to learn in my book, you too will start making a consistent and passive \$20 to \$40 daily income from your Amazon Associates account. All you need is at least one Amazon niche website. Like I do in all my books, I provide after sales support to help you further if you find out you need further assistance. I had to write this book to grant the numerous requests from friends and family asking me to teach them how I'm able to pull off so much money from just one Amazon niche site. I started this website with zero back links, zero social following and zero authority on Google and grew it to a \$20 to \$40 daily income source. So if you're eager to copy my strategy and make some decent bucks for yourself then order this book. You can easily replicate the strategy to make more Amazon niche sites if you wish.

Textbook for tractor semitrailer operations: fourth edition includes current information on hours of service, hazardous materials, cargo securement, in-cab technology; trucking industry history; U.S. regulations; procedures; descriptions of systems, components, use/maintenance requirements; troubleshooting; safe driving; economy driving; regulated activities.
