An Imaginary Life is an apt title. Malouf's prose has a life flowing through it. Cold winters, autumnal wilds, burial rituals, and shamanic magic combine to create an eerie and uncomfortable atmosphere that surrounds Ovid's exile in Tomis. Rough characters rub on him, and a life away from the Epicureanism of Rome rekindles him.

An Imaginary Life is a novella about Ovid in exile. I found it to be an incredibly irritating book with precisely one saving grace: it was funny to read passages out loud to Brittany and watch her cringe. She's less of a fan than I am.

Tables Made into Trees Transformation is one of principal themes of David Malouf's short novel An Imaginary Life. Sent to a barbarian village in the outskirts of the Roman Empire, Ovid is forced to make changes to himself to find even the smallest bits of happiness.

In the first century AD, Publius Ovidius Naso, the most urbane and irreverant poet of imperial Rome, was banished to a remote village on the edge of the Black Sea. From these sparse facts, one of our most distinguished novelists has fashioned an audacious and supremely moving work of fiction. Marooned on the edge of the known world,

exiled from his native tongue, Ovid depends on the kindness of barbarians who impale their dead and converse with the spirit world. But then he becomes the guardian of a still more savage creature, a feral child who has grown up among deer. What ensues is a luminous encounter between civilization and nature, as enacted by a poet who once catalogued the treacheries of love and a boy who slowly learns how to give it.

The Roman poet Ovid, in exile, tells the story of his encounter with a wild boy, brought up among wolves in the snow. At first the poet assumes the role of protector to the boy; gradually, however, the roles of protector and protected are reversed as the two form a curious and touching alliance.

Dirge for an Imaginary World from Matthew Buckley Smith is the winner of the 2011 Able Muse Book Award, selected by Andrew Hudgins. These are poems of breathtaking craftsmanship that find inspiration in the simplicity of the quotidian, or the perplexity of the grand. Smith is equally at ease musing about Neanderthals or God as he is with a ballet exam or highway medians. These poems of personal and universal introspection are filled with grace, and sparkle with abundant intelligence and wit. This masterful debut collection is an event to celebrate. PRAISE FOR DIRGE FOR AN IMAGINARY WORLD: Wildness and precision and passion balanced with wit—there are the hallmarks of Matthew Buckley Smith's superb Dirge for an Imaginary World. In subjects great ("For the Neanderthals") and small made great ("For the College Football Mascots"), the comic is rich with serious intent and gravity lightened with discerning wit. But only a poet who lifts heavy and unwieldy subjects—death, lost love, the absence of god—knows the imperatives of graceful balance. - Andrew Hudgins (Judge, 2011 Able

Muse Book Award) In this deeply impressive debut volume of poetry, *Dirge for an Imaginary World*, Matthew Buckley Smith delivers a remarkable range of deft formal schemes, temporal movements, and varied settings. We encounter sonnets, couplets, quatrains, Sapphics, sestets and so forth written with a slick, delightful merging of technical expertise and smooth contemporary rhythms. The range of subjects is equally and as charmingly eclectic, from Neanderthals, Dante, Vermeer, for instance, to College Football Mascots, Highway Mediums, and Spring Ballet Exams. Mental and linguistic agility generously challenge the reader in poem after poem. – Greg Williamson (from the “Foreword”) “If a way to the Better there be, it exacts a full look at the Worst,” wrote Thomas Hardy, whose spirit moves through the fine poems of Matthew Buckley Smith’s debut collection. Like his blast-beruffled predecessor, Smith braves a clear-eyed look at our fallen world, mourning in elegantly precise language the sorrows inherent in “set(ting) out to map a promised land/ Out of reach and always just at hand,” but also wishing great mercy upon us travelers failed and failing. These are poems full of both reckoning and grace, made all the more beautiful for their humane wisdom. *Dirge for an Imaginary World* is immensely impressive. – Carrie Jerrell

Sustainability in an Imaginary World explores the social agency of art and its connection to complex issues of sustainability. Over the past decade, interest in art's agency has ballooned as an increasing number of fields turn to the arts with ever-expanding expectations. Yet just as art is being heralded as a magic bullet of social change, research is beginning to throw cautionary light on such enthusiasm, challenging the linear, prescriptive, instrumental expectations such transdisciplinary interactions often imply. In this, art finds itself at a treacherous crossroads, unable to turn a deaf ear to calls for help from an increasing number of ostensibly non-aesthetic fields, yet in answering such prescriptive urgencies, jeopardizing the very power for which its help was sought in the first place. This book goes in search of a way forward, proposing a theory of art aiming to preserve the integrity of arts practices within transdisciplinary mandates. This approach is then explored through a series of case studies developed in collaboration with some of Canada's most prominent artists, including internationally renowned nature poet Don McKay; Italian composer and Head of Vancouver New Music, Giorgio Magnanesi; the renowned Electric Company Theatre, led by Kevin Kerr; and finally through a largescale multimedia installation aiming to reimagine the relationship between climate, culture, and human agency. Sustainability in an Imaginary World will be of great interest to students and scholars of arts-based research fields, sustainability studies, and environmental humanities.
