and polity.

What is history? How does a land become a homeland? How are cultural identities formed? The Making of Early Kashmir explores these questions in relation to the birth of Kashmir and the discursive and material practices that shaped it up to the 12th century CE. Reinterpreting the first work of Kashmiri history, Kalhana's Rajatarangini, this book argues that the text was history not despite being traditional Sanskrit poetry but because of it. It elaborated a poetics of place, implicating Kashmir's sacred geography, a stringent critique of local politics, and a regional selfhood that transcended the limits of

vernacularism. Combined with *longue durée* testimonies from art, material culture, script, and linguistics, this book jettisons the image of an isolated and insular Kashmir. It proposes a cultural formation that straddled the Western Himalayas and the Indic plains with Kashmir as the pivot. This is the story of the connected histories of the region and the rest of India.

The advent of Islam in medieval Kashmir gave birth to a narrative that describes forcible mass conversion of Hindus, eviction of local people and wanton demolition of religious symbols. A minority of Kashmiri Brahmans and their progeny who did not convert to Islam built and successfully perpetuated this narrative over the centuries. Following the eruption of armed insurgency in Kashmir and mass migration

of Kashmiri Pandits in 1990, this community narrative has turned into the Indian mainstream view on Kashmiri Pandits. Kashmir: Exposing the Myth behind the Narrative challenges the existing narrative. It exposes many fallacies used to uphold this narrative and dissects the work of historians that has sustained ahistorical perceptions over a long period of time. By linking history to the present, the book facilitates an understanding of the situation today.

that the Kashur from the ancient eras possessed highly developed spiritual and intellectual caliber that helped these people per se to evolve into one of the richest social, religious and literary cultural linguistic group. In this effort she has analyzed and given clarification to certain commonly held misconceptions. She explains that legends created by primitive ancestors are not myths made up as entertaining stories but are based on reality and are representations of the living truth that has been perceived by the compilers. Those interested in the rich cultural heritage of the Kashur, their architectural acumen, their proficiency in historicity, their mastery in languages, their zeal as torch bearers of various religions, and their ever-changing social order inclusive of their faults and foibles will find this book a great help and a

guide. This book even records the excesses, hardships and tyrannies that the Kashur has had to face under the rule of various invaders and usurpers in their long political chronology of almost 5,000 years and the struggles they have had put in, to survive these onslaughts bravely and at times even slyly.

Kashmir is renowned throughout the world for its beauty- for the girdle of snowy mountains which surrounded the lovely valley, for its rivers and lakes and its primeval forests, and for its moderate temperature. Kashmir was a centre of knowledge and education since the time of its habitation by

humans. With the advent of the Aryans, ancient Kashmir produced scholars of the Vedas, and once Sanskrit emerged as the literary language, Kashmiris took its study and learning to great heights, producing mature and renowned scholars of Sanskrit. Kashmir has a tradition of recorded history dating back to the times when history as an organized study was unknown in most of the civilized nations of today. There has been no serious attempt to delineate the economic life of people of Kashmir in the early period. The overemphasis by earlier scholars on political history had led the neglect of social history in general and economic life in particular. The aim of the present study is to give a comprehensive picture of economic life of Kashmir prior to medieval times. The information for this work has been derived from, literary
