crazy combinations.

Featuring spectacular images straight from the vaults of the National Wildlife Federation, these should be the very first books to introduce children to animals from around the world. Every photo shows these creatures in their natural habitats. Each book in the series carries the logo and name of the National Wildlife Federation. These are not just board books, but the first books that any toddler will love and adults will enjoy reading. Each full page spread is a story by itself. See the lions arguing but the walrus can't bear to watch. The baby sea lion wants to play and the orangutan wants to play too. The chipmunk tells the polar bear to stop, and the polar bear does. Fantastic photos of wildlife combined with funny comments to make these a new kind of board book.

Funny Farm is an inspiring and moving memoir of the author's turbulent life with 600 rescue animals Laurie Zaleski never aspired to run an animal rescue; that was her mother Annie's dream. But from girlhood, Laurie was determined to make the dream come true. Thirty years later as a successful businesswoman, she did it, buying a 15-acre farm deep in the Pinelands of South Jersey. She was planning to relocate Annie and her caravan of ragtag rescues—horses and goats, dogs and cats, chickens and pigs—when Annie died, just two weeks before moving day. In her heartbreak, Laurie resolved to make her mother's dream her own. In 2001, she established the Funny Farm Animal Rescue outside Mays Landing, New Jersey. Today, she carries on Annie's mission to save abused and neglected animals. Funny Farm is Laurie's story: of promises kept, dreams fulfilled, and animals lost and found. It's the story of Annie McNulty, who fled a nightmarish marriage with few skills, no money and no resources, dragging three kids behind her, and accumulating hundreds of cast-off animals on the way. And lastly, it's the story of the brave, incredible, and adorable animals that were rescued.
