Drowned and buried. Which phrase has the most negative connotation(APEX English 9 1.1.8 Quiz)?

The New York Times bestseller: "You gotta read this. It is the most exciting book about Pluto you will ever read in your life." —Jon Stewart When the Rose Center for Earth and Space at the American Museum of Natural History reclassified Pluto as an icy comet, the New York Times proclaimed on page one, "Pluto Not a Planet? Only in New York." Immediately, the public, professionals, and press were choosing sides over Pluto's planethood. Pluto is entrenched in our cultural and emotional view of the cosmos, and Neil deGrasse Tyson, award-winning author and director of the Rose Center, is on a quest to discover why. He stood at the heart of the controversy over Pluto's demotion, and consequently Plutophiles have freely shared their opinions with him, including endless hate mail from third-graders. With his inimitable wit, Tyson delivers a minihistory of planets, describes the oversized characters of the people who study them, and recounts how America's favorite planet was ousted from the cosmic hub.

Life on the Mississippi is a memoir by Mark Twain detailing his days as a steamboat pilot on the Mississippi River before and after the American Civil War. The book begins with a brief history of the river. It continues with anecdotes of Twain's training as a steamboat pilot, as the 'cub' of an experienced pilot. He describes, with great affection, the science of navigating the ever-changing Mississippi River. In the second half, the book describes Twain's return, many years later, to travel on a steamboat from St. Louis to New Orleans. He describes the competition from railroads, the new, large cities, and his observations on greed, gullibility, tragedy, and bad architecture. He also tells some stories that are most likely tall tales. Simultaneously published in 1883 in the U.S. and in England, it is said to be the first book composed on a typewriter.

Heavily influenced by T. S. Eliot's "The Waste Land," the poems of Spring and All express the author's beliefs about the role and form of art in a modern context. William Carlos Williams offers an intensely stylized set of exercises in reduction that capture, in his words, "the immediacy of experiences." Sections of vivid, sensuous prose — described by the poet as "a mixture of philosophy and nonsense"—alternate with straightforward free verse that explores the creative uses of imagination and the power of language. "Spring and All," the title work of this 1923 collection, represents Williams's first major achievement as a poet, and was praised by The New York Times as one of the greatest poems of the twentieth century. This groundbreaking compilation also features some of the poet's best-known verse, including the modernist masterpieces: "The Red Wheelbarrow" and "To Elsie."

Presents the text of Alice Walker's story "Everyday Use"; contains background essays that provide insight into the story; and features a selection of critical response. Includes a chronology and an interview with the author.

The Philosophy of Composition Edgar Allan Poe "The Philosophy of Composition" is an essay by Edgar Allan Poe. Edgar Allan Poe (born Edgar Poe; January 19, 1809 - October 7, 1849) was an American author, poet, editor, and literary critic, considered part of the American Romantic Movement. Best known for his tales of mystery and the macabre, Poe was one of the earliest American practitioners of the short story, and is generally considered the inventor of the detective fiction genre. He is further credited with contributing to the emerging genre of science fiction. He was the first well-known American writer to try to earn a living through writing alone, resulting in a financially difficult life and career. Born in Boston, he was the second child of two actors. His father abandoned the family in 1810, and his mother died the following year. Thus orphaned, the child was taken in by John and Frances Allan, of Richmond, Virginia. Although they never formally adopted him, Poe was with them well into young adulthood. Tension developed later as John Allan and Edgar repeatedly clashed over debts, including those incurred by gambling, and the cost of secondary education for the young man. Poe attended the University of Virginia for one semester but left due to lack of money. Poe quarreled with Allan over the funds for his education and enlisted in the Army in 1827 under an assumed name. It was at this time his publishing career began, albeit humbly, with an anonymous collection of poems, Tamerlane and Other Poems (1827), credited only to "a Bostonian." With the death of Frances Allan in 1829, Poe and Allan reached a temporary rapprochement. Later failing as an officer's cadet at West Point and declaring a firm wish to be a poet and writer, Poe parted ways with John Allan. Poe switched his focus to prose and spent the next several years working for literary journals and periodicals, becoming known for his own style of literary criticism. His work forced him to move among several cities, including Baltimore, Philadelphia, and New York City. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

best-selling celebrity author and film-maker Dave Courtney and ex-prison officer Jim Dawkins? Covering all aspects of the British underworld and the heroes and villains that have grabbed media attention and stirred up public interest and imagination, this book is as much an educational treasure trove as it is a quiz book. With a fitting foreword by Charles Bronson, this is definitely a quiz book with an encyclopaedic twist and is guaranteed to provoke hours of reminiscing and discussion about the daring escapades and notorious characters that have stamped an indelible mark on the British crime scene.

In this wise and lyrical book about landscapes of the desert and the mind, Edward Abbey guides us beyond the wall of the city and asphalt belting of superhighways to special pockets of wilderness that stretch from the interior of Alaska to the dry lands of Mexico.

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.
