Clear and colourful, the book is full of ideas and inspiration for the thread and hook. The book introduces the tools and yarns you will need, then outlines basic crochet techniques, and follows with over 30 projects for you to make.

Great for new and experienced crocheters alike, Crochet Stitch Dictionary offers 200 stitches with detailed written, charted, and photographed instructions. This essential book presents 10 color-coded stitch sections: Basic stitches, Fans & Shells, Bobbles & Clusters, Spike stitches, Post stitches, Mesh & Filet, Cable stitches, Tunisian stitches, and more! Learn each stitch with written, charted, and step-by-step photo instructions that clearly explain where the yarn goes each step of the way. In addition, each stitch pattern shows a large finished swatch in actual size. You'll enjoy the colorful and eye-catching "candy-

box" sampler pages that start every section. Crochet Stitch Dictionary
offers excellent useful instruction and inspiration for all crocheters.

Want to learn to crochet, but have no idea where to start? Well this book will guide you through the basics and have you completing your first project in just one day! Each new stitch is explained in easy steps with accompanying photographs and diagrams and is followed up with a project showing you how to utilize your new found skills. The 20 modern projects range from a super simple cafetiere cosy to a granny square blanket, plus there is a section dedicated to "extreme crochet," using t-shirt yarn to create larger-than-life crocheted creations. In addition, crochet charts are included for each stitch and pattern with the author explaining, in detail, how to read and follow charts. The author's chatty, informal style will take you on your journey from
