America's Top-Rated Cities is a four-volume set, each book covering a specific region of the United States - Southern, Wstern, Central, and Eastern. Each volume includes narrative city backgrounds, statistical information, rankings, and comparative data in one easy-to-use source, on cities that have scored high marks on economy, education, health care, crime, transportation, leisure activities, and arts & culture. the final list of top-rated cities is derived from our unique rating system, which is based on a number of well-known "best of" lists and firth-hand experience.

Nonprofit organizations ' boards are justifiably passionate about their causes and eager to help their organizations. However, in today ' s increasingly regulated climate, board members, who come from diverse backgrounds and may have little financial expertise, can feel overwhelmed by the regulations that are their duty to follow. The Best of Boards: Sound Governance and Leadership for Nonprofit Organizations provides not-for-profit board members and financial managers with the essential fiduciary knowledge and indispensable leadership guidance that they need to meet the challenges of the current not-for-profit environment. This book contains: Financial and ethical guidance for real-life situations Practical leadership advice for novice and experienced board members Assistance for not-for-profit managers tasked with governance challenges Tools, checklists, and templates based on common sense management techniques This publication will build ethically sound management knowledge in not-for-profit board members so that they can ensure the compliance and, ultimately, the success of their organization.

Stock Trader's Almanac 2016 is your data cache, with expert strategy and insight for better trading decisions.

Comparing major league players has always been a popular topic among baseball fans. Debating the strengths and weaknesses of such greats as Joe DiMaggio and Ted Williams, Babe Ruth and Hank Aaron, Willie Mays and Mickey Mantle, or Tom Seaver and Greg Maddux continues to stir up controversy among fans eager to champion their heroes. In Baseball ' s Top 10, Bob Kuenster has compiled a ranking of the game ' s best players by position, highlighting the achievements of nearly 300 individuals. In addition to the top 10, Kuenster includes Honorable Mentions—players who were considered but didn ' t make the final list—and Dishonorable Mentions—players who were left off the rankings due to alleged steroid and performance enhancing drug use. Drawing upon original interviews conducted by the author, this ranking reveals the best players in major league history as seen through the eyes of former players, managers, and announcers. Player entries include biographical information, individual achievements, stats, and quotes. Organized by position—first base, second base, third base, shortstop, left field, center field, right field, catcher, designated hitters, multi-position players, right-handed starting pitchers, left-handed starting pitchers, and closers—280 outstanding players made the cut as the most elite pitchers, hitters, and fielders in MLB history. Baseball ' s Top 10 features interviews with some of baseball ' s greatest personalities—including players who have since passed, such as Al Lopez, Bob Feller, Stan Musial, Lou Boudreau, Andy Pafko, Ron Santo, Harry Caray and Harry Kalas. With over 50 photographs and a comprehensive list of suggested titles for further reading, this book is sure to interest baseball fans and historians who love to debate the many outstanding players who have appeared in the major leagues.
