Mount Airy North Carolina was the birthplace of the late actor Andy Griffith and Historian Tom Perry. In this memoir of their hometown, Perry tells the story of the real Mayberry and his thoughts of the most famous son of the piedmont North Carolina town. This book is part memoir, part biography and part tour guide about Andy Griffith and Mount Airy, North Carolina. Beginning on the day Andy Griffith died, July 3, 2012, Perry tells about the town that day and goes back in time to bring Griffith and his own family to Mount Airy to work in the factories in the twentieth century. Sharing his connections with Griffith, Perry tells about the youth both shared in Mount Airy. The book then follows Andy Griffith to the University of North Carolina at Chapel Hill, Goldsboro to teach school and then Broadway, television and movies in a career that lasted decades. The book also details the effect of Andy Griffith on Mount Airy with the decades long tourism boom that began in the 1980s with the town taking on the persona of the fictional Mayberry that Griffith obviously used to in his highly successful Andy Griffith Show that ran on CBS for eight years ending its run as the number one show on television.

New Adult Paranormal Romance ** Mature Content ** Recommended for ages 16+ due to sexual situations and language This book includes realistic scenes of domestic violence that are not gratuitously graphic, but may be disturbing to sensitive readers. Hearts break. Souls shatter. Love lies in The Space Beyond. As members of the Phoenix, Jeric and Leni are thrust into their new lives, expected to lead Earth's Guardians. But Leni struggles with trusting her own soul, and Jeric is more concerned about keeping Leni safe than meeting others' demands. When Darkness swarms Lake Haven, they embark on their first mission with little preparation and no idea which soul the Dark hunts. Born and raised in Lake Haven, Bex hopes to escape her small-town life, ideally in the arms of her soul mate. She knows he exists, and her heart aches with the need to find him. When her long-lost mama calls to announce she's knockin' on death's door, Bex reluctantly makes the trip to see the uncaring bitch (bless her heart), only to be knocked off her feet by the sexy and charming Dr. Mason Hayes. Is he really The One? Leni's soul felt an instant connection to Bex, but if Bex found her soul mate, she isn't their mission. So who is, and why does Leni instinctively feel drawn to her? Can Leni even trust her intuition? And will Jeric step up and lead when the time comes or continue to hold them back? If they don't learn to trust themselves and each other quickly, Darkness will claim them all...along with the rest of Earth's souls.

"People turn their heads when I walk past them. They know where I'm going. My feet almost stumble on the uneven pavement of the cobblestoned street when I sense Mark's gaze on me. This is the only time he takes notice of me, and it's for a reason I wish didn't exist. All the other times I want him to see me, his eyes skip right over me. I'm a wolf in sheep's clothes to these people. A potential threat. I already know what will happen once I get to the Clinic. I'll have to talk to that clueless psychiatrist so he can measure my possibly violent tendencies. Because that stigma has been on me ever since I turned twelve and the person I loved most in the whole wide world was Purged from this city. My name is Sarah, and my father was a violence offender." Return to the world of the Island series and meet Sarah, resident of Dartmoor City. She's bitter, she feels trapped, and she wants nothing more than to venture beyond the fence that's keeping her in. She just has no idea how to. But when she discovers a secret that President Jacob would rather keep under wraps, Sarah is forced to make a move for freedom - because she meets a guy who is even more of a prisoner than she is, and he desperately needs her help. keywords: dystopian, young adult
