Mom?" "Yes, Love?" "Where is the water?" Little Fish asked her mom the same question every morning and every morning she got the same answer. "Practice being still and it will come to you." But Little Fish was tired of being still, so she decided to go out on her own and find the water. Will the grumpy old octopus help her find it? Or perhaps a school of very busy herring will show her the way. Join Little Fish on the adventure of a lifetime as she searches for the answer to her big question - where is the water? This is an inspiring story with charming illustrations for people of all ages who are brave enough to search for the truth.

The concept of opposites, such as little and big, is explored through pages that fold out.
