BlackBerry provides enterprises and governments with the software and services they need to secure the Internet of Things. BlackBerry has transformed itself from a smartphone company into a security software and services company.

"The manual will be a valuable guide for the management and control of the weedy blackberry species in Australia. Blackberry has been recognised as a Weed of National Significance (WoNS) in Australia because of its high degree of invasiveness, its aggressive spread, and its economic and environmental impacts. Blackberry seriously threatens both agricultural and natural ecosystems."--Foreword.
