Wrapped in the landscape of a blustery Wisconsin winter, Blankets explores the sibling rivalry of two brothers growing up in the isolated country, and the budding romance of two coming-of-age lovers. A tale of security and discovery, of playfulness and tragedy, of a fall from grace and the origins of faith.

comics today. Apart from Blankets, he has only released one other major work of fiction. (His third, Habibi, will be released this Fall.) [The cutest of meet-cutes.]

### *Blankets by Craig Thompson - Goodreads*

Craig Matthew Thompson (born September 21, 1975) is a graphic novelist best known for his books Good-bye, Chunky Rice (1999), Blankets (2003), Carnet de Voyage (2004), Habibi (2011), and Space Dumplins (2015). Thompson has received four Harvey Awards, three Eisner Awards, and two Ignatz Awards.

### *Craig Thompson - Wikipedia*

Blankets is Craig Thompson 's account of growing up in a religious family in Wisconsin. The novel tells two primary stories: one, about Craig's coming to terms with his religious beliefs, and the...

### *Blankets Summary (Craig Thompson) - eNotes.com*

Blankets Quotes Showing 1-21 of 21 "How satisfying it is to leave a mark on a blank surface. To make a map of my movement - no matter how temporary." - Craig Thompson, Blankets

### *Blankets Quotes by Craig Thompson - Goodreads*

"The Beautiful Ambiguity of Blankets: Comics Representation and Religious Art", written by the University of Florida's Benjamin Stevens, provides a great deal of insight into Craig Thompson's 2003 autobiographical graphic novel Blankets.

### *Blankets Literature Essay Samples*

Almost 15 years on from its American publication, finally the UK can enjoy its own edition of Blankets, Craig Thomson 's matchless and largely autobiographical tale of adolescence, heartbreak and the unshackling of faith. Winner of both Harvey and Ignatz Awards, Blankets stands as a shining example of the potential of the comic strip medium.

### *Blankets by Craig Thompson | Waterstones*

Blankets is an attempt to rejuvenate such well-trod themes as social isolation, religious guilt, and first love; the vitality of which has become too frequently obscured by countless hackneyed dramas and endless clichés. Toward the very end of this "illustrated novel," Craig notes, while walking in snow, how "satisfying it is to leave a mark on a blank surface."

### *Blankets by Craig Thompson | LibraryThing*

Blankets has two recurring themes throughout it's narrative. These themes are rejection and acceptance. Craig Thompson over the course of his life was forced to deal with rejection on a daily basis. This was caused by several factors. The first factor that made Thompson feel rejected was caused by his schoolmates mocking him. Thompson's schoolmates picked on him for any reason they could find ...

### *Themes of Blankets | Blankets by Craig Thompson for Life ...*

Written by people who wish to remain anonymous In his autobiographical account of young love and self-discovery -- Blankets -- Craig Thompson walks readers through his adolescent awakening. He centers the story around his time at a Christian summer camp as a teenager. While there, he meets and falls in love with a girl.

### *Blankets Study Guide: Analysis | GradeSaver*

Craig Thompson is totally honest in Blankets as he reflects on his failures and life decisions in full. I think everyone can relate to this book. Craig is more than a character by the end, he is your friend, he is you. I believe that most readers will greatly relate and empathize with Craig at some point in Blankets.

by Craig Thompson Blankets is the story of a young man coming of age and finding the confidence to express his creative voice.

First UK publication for this modern classic 'Moving, tender, beautifully drawn, painfully honest and probably the most important graphic novel since Jimmy Corrigan.' NEIL GAIMAN 'Blankets is a classic in every genre it touches.' STEPHEN CHBOSKY, author of The Perks of Being a Wallflower 'One of the greatest love stories ever written and surely the best ever drawn.' JOSS WHEDON Wrapped in the snowfall of a blustery Midwestern winter, Blankets is the tale of two brothers growing up in rural isolation, and of the budding romance between two young lovers. A tale of security and discovery, of playfulness and tragedy, of a fall from grace and the origins of faith, Blankets is a profound and utterly beautiful work.

"Quaint, meditative and sometimes dreamy, blankets will take you straight back to your first kiss." --The Guardian Blankets is the story of a young man coming of age and finding the confidence to express his creative voice. Craig Thompson's poignant graphic memoir plays out against the backdrop of a Midwestern winterscape: finely-hewn linework draws together a portrait of small town life, a rigorously fundamentalist Christian childhood, and a lonely, emotionally mixed-up adolescence. Under an engulfing blanket of snow, Craig and Raina fall in love at winter church camp, revealing to one another their struggles with faith and their dreams of escape. Over time though, their personal demons resurface and

their relationship falls apart. It's a universal story, and Thompson's vibrant brushstrokes and unique page designs make the familiar heartbreaking all over again. This groundbreaking graphic novel, winner of two Eisner and three Harvey Awards, is an eloquent portrait of adolescent yearning; first love (and first heartache); faith in crisis; and the process of moving beyond all of that. Beautifully rendered in pen and ink, Thompson has created a love story that lasts.

A visual diary and travel sketchbook chronicles two months of the artist's wanderings through Africa and Europe.

Chunky Rice, a small green turtle, embarks on an ocean voyage, where he meets a shady skipper and conjoined twins, Ruth and Livonia, but he also leaves behind his mouse deer girlfriend Dandel, who sends him letters in a bottle. Reprint. 20,000 first printing.

A graphic tale by the author of Blankets follows the relationship between two refugee child slaves who are thrown together by circumstance and who struggle to make a place for themselves in a world fueled by fear and vice, in a visual parable that touches on themes of cultural divisions and the shared heritage of Christianity and Islam.

Highly acclaimed graphic novelist Craig Thompson's debut book for young readers about a plucky heroine on a mission to save her dad. For Violet Marlocke, family is the most important thing in the whole galaxy. So when her father goes missing while on a hazardous job, she can't just sit around and do nothing. To get him back, Violet throws caution to the stars and sets out with a group of misfit friends on a quest to find him. But space is vast and dangerous, and she soon discovers that her dad is in big, BIG trouble. With her father's life on the line, nothing is going to stop Violet from trying to rescue him and keep her family together. Visionary graphic novel creator Craig Thompson brings all of his wit, warmth, and humor to create a brilliantly drawn story for all ages. Set in a distant yet familiar future, SPACE DUMPLINS weaves themes of family, friendship, and loyalty into a grand space adventure filled with quirky aliens, awesome spaceships, and sharp commentary on our environmentally challenged world.

From ages 10 to 20, Craig Thompson (the author of Blankets) and his little brother Phil, toiled in Wisconsin farms. Weeding and harvesting ginseng--an exotic medicinal herb that fetched huge profits in China--funded Craig's youthful obsession with comic books. Comics in turn, allowed him to escape his rural, working class trappings. Now, for the first time in his career, Thompson is working in serial form, in a bimonthly comic book series. Part memoir, part travelogue, part essay--all comic book--Ginseng Roots explores class divide, agriculture, holistic healing, the 300 year long trade relationship between China and North America, childhood labor, and the bond between two brothers. Set of six pamphlet comic books.

Loosely based on the author's life, chronicles Craig's journey from childhood to adulthood, exploring the people, experiences, and beliefs that he encountered along the way.

A harrowing memoir of loss and the struggle to connect, Brown's story is told with a spare poetic elegance. A self-absorbed teenager, Chester Brown strays into the difficult territory of friendship and early love while at home there is a slowly building crisis over his mother's mental health. Emotionally intense, the story veers unsteadily between the extremes of eerie detachment and sudden desperate outbursts of need. A complex and disturbing true story told with a nuanced, queasy visual style that lingers in the mind long after the book has been put away.

The outrageously funny and painfully relatable satire of an aspiring artist and millennial culture Walter Scott's Wendy comics have become a critical sensation, with rave reviews in The New Yorker and The Guardian, and an appearance in the Best American Comics anthology. Learn Wendy's origin story as Scott hilariously plumbs millennial culture, creative ennui, and the nepotism of the art world's institutions. Wendy's an aspiring artist in a party city, and she's in a rut. She spends her time snorting mdma in gallery bathrooms and watching Nurse Jackie reruns on her laptop while hungover. So when she's accepted into the prestigious Flojo Island residency, Wendy vows to buckle down and get working. But during the remote, woodsy residency, Wendy and her collaborator/bff Winona put on a performance piece that becomes the centre of an art world controversy, and so Wendy returns to Montreal, getting a job in a coffee shop to make ends meet. With Wendy, Scott launches the Wendyverse, brimming with painfully relatable characters like the back-stabbing frenemy Tina, the name-dropping Paloma, the cool drummer Wendy obsesses over, Jeff, and of course, our treasured Wendy, the hot mess we can't live without. In blunt, laugh out loud funny vignettes with perfect punchlines, Scott illuminates the opacity of artspeak and the ceaseless anxieties plaguing a largely privileged generation.
