Ross has captivated us for years with the magic that takes place on his canvas in twenty-six television minutes-all while dispensing little branches of wisdom. His style and encouraging words are a form of therapy for the weary, but with Bob it is always about more than painting. There is a hidden depth within his easy chatter, another layer to everything he says. When he talks about painting, he's using it as a metaphor for life! Happy Little Accidents: The Wit and Wisdom of Bob Ross opens with an introduction and brief biography of Ross, followed by a collection of Ross's greatest quotes and most majestic works of art.
