ARE YOU AWARE OF THE MOST IMPORTANT STATEMENT EVER MADE? "YOU MUST BE BORN AGAIN" Why? Because without it you have no hope of enjoying the glories of heaven and escaping the horrors of hell. Are YOU born again? Jesus said "Ye must be born again." John 3: 7 "Except a man be born again, he cannot see the kingdom of God." John 3:3 A very interesting event took place while Jesus walked the earth, many of the religious leaders of his day did not believe or receive him but there were some who due to fear of what people will say though they believed, they did not show publicly what they thought about him then in John chapter 3, one of them came to enquire at night about the kingdom Jesus was talking about. He was curious as to how one can be a part of the kingdom and Jesus said in verse three. "Verily, verily, I say unto you, except a man be born again, he cannot see the Kingdom of God" John 3:3 "Jesus answered him, I assure you most solemnly I tell you, that unless a person is born again (anew, from above), he cannot ever see (know, be acquainted with, and experience) the kingdom of God.' AMP The man must have looked at Jesus to confirm if he was in his right senses for he wondered how an adult would enter into his mother's stomach and be born again and Jesus told him "Except a man be born of the water and the spirit, he cannot enter the kingdom of God." so we can see that this goes beyond physical birth, this is the work of the spirit of Christ. Many of us who were born into Christian homes automatically believe we are born again or part of the house hold of faith, God forbid that at the end, Jesus tells us to depart because he does not know us. Being part of a Christian home or being part of a church does not equal being born again. You may know a lot about Jesus and God of the Christians, you may even know some verses in the bible and be able to quote them well, you may be able to say a thing or two about Jesus but then do you know him personally. You may say you know the president of your country, you might be able to say a lot of things about him but then the level of knowledge you have cannot be compared to what his wife will say. The wife knows him better, she sleeps with him and shares intimacy with him, and he will tell her things he is too careful not to tell the world, she knows his strengths and his fears. She knows when he is pretending to be okay and smiling when he is dying in silence. Now that is a level, and God desires that, intimacy with God and a relationship with him is the end to which Christ died so that when you die you can share eternity with him in heaven. So it's not about knowing about Jesus, it is about Jesus knowing you. Do you want to make heaven and be part of the kingdom Jesus talked about? Then you must be born again for that is the access, the key to the kingdom that is what entitles you to all that pertains to life and godliness. The son of a prince does not beg for the throne, he knows the throne is his by birth, same thing goes, we are the King's kid and because we are born of God, we have all He has. "But as many as received him, to them gave the power to become sons of God, even to them that believe on his name." John 1:12 So the power we have to be called sons is imparted at new birth, when we receive him into our life. Are you curious to know what this new birth is? Let's continue the ride through the pages of this book.

In 1974 Charles W. Colson pleaded guilty to Watergate-related offenses and, after a tumultuous investigation, served seven months in prison. This expanded edition includes a brand-new introduction and a new epilogue by Colson, recounting the writing of his bestselling book and detailing some of the ways his background and ministry have brought hope and encouragement to so many.

Michael Leshner describes his decision to become an orthodox Jew though raised a secular one.

On April 28, 2006, as he lay in his hospital bed in Ann Arbor, Michigan, visions of celestial beauty were the last thing on Marv Bestman's mind. He had just had surgery to remove a rare pancreatic tumor. It was after visiting hours and his family had left for the day. Alone and racked with pain, Marv tossed and turned, wanting more than anything else to simply sleep and escape the misery and discomfort for a while. The retired banker, father, and grandfather had no idea he was about to get a short reprieve in the form of an experience he never could have imagined. In *My Journey to Heaven*, Marv Bestman shares the story of his experience of heaven with astounding detail. Readers will hear of his encounters with angels who accompanied him to the gate, his conversation (argument, really) with St. Peter, and his recognition of friends and family members who touched his life. His story offers peace, comfort, and encouragement to those who have lost loved ones and gives security and solace to those who are grieving, dying, or wonder about the afterlife. Marv believed God sent him back to earth to fulfill this mission of comfort and reminds readers that God has work for each of us to do before he calls us to be with him in heaven. Secure in his belief that his book was the fulfillment of his own mission, Marv returned to heaven in January 2012.

"I didn't stop robbing banks because I became a nice guy. I just didn't enjoy being in prison." - Ted Nellis, 1981 *Journey to Redemption* paints an intimate portrait of a man desperately searching for himself and for his place in a world he found himself at odds with. Travel with Ted Nellis into some of the dingiest pool rooms, hotels, and hostels in western Canada. Join him in his cell in Kingston Penitentiary. Peek into a deserted doctor's waiting room on a quiet October evening and discover Ted on his knees during an encounter with God that would change his life forever. "My father's life reads like something out of a movie. I'm very excited about his book." - Cole Nellis "Ted is a trophy of God's grace." - Pastor Ken Miles In addition to holding down a full-time job, Ted Nellis is a licensed minister, author, speaker, and ministry leader. He is also a husband, father, and grandfather with a past as colourful as a fall landscape. Possessing only a grade-eight education, Ted stands in stark contrast with today's multi-degreed, formally trained church and ministry leaders, yet has an ability to engage, connect, and relate to people of all ages and backgrounds in a way that is very real and refreshing. Ted's passion for reading, studying, obeying, and living out God's word in very practical and tangible ways is both inspiring and contagious.

Shari Hadley had been a committed, enthusiastic Wiccan for several years when her husband suddenly died in a violent car crash. That day, a visit from a Christian chaplain prompted a series of events that gradually led her to give her life to Christ. Hadley's journey, however, did not end with her kneeling at an altar and receiving baptism. The more she grew in her relationship with Christ, the more the supernatural terrorized her. But her path of discipleship led her to freedom in Christ, defeating the suffocating grip of oppression in her life. Follow Hadley along her path to freedom and learn how you, too, can be free from sin's damaging control.

David Currie was raised in a devout Christian family whose father was a fundamentalist preacher and both parents teachers at Moody Bible Institute. Currie's whole upbringing was immersed in the life of fundamentalist Protestantism - theology professors, seminary presidents and founders of evangelical mission agencies were frequent guests at his family dinner table. Currie received a degree from Trinity International University and studied in the Masters of Divinity program. This book was written as an explanation to his fundamentalist and evangelical friends and family about why he became a Roman Catholic. Currie presents a very lucid, systematic and intelligible account of the reasons for his conversion to the ancient Church that Christ founded. He gives a detailed discussion of the important theological and doctrinal beliefs Catholic and evangelicals hold in common, as well as the key doctrines that separate us, particularly the Eucharist, the Pope, and Mary.

The author describes, through his own experiences, how and why many American Jews are becoming involved in Orthodox Judaism, and discusses Orthodox beliefs and rituals

Addresses some of the questions raised by Christians with same-sex attraction. As a Christian who experiences same-sex attraction, is it possible to live a life that's both faithful and fulfilling? Rachel Gilson wants to show you that it is and that it's not just a case of limping to the finish line, it's possible to run the race with joy. In this powerful and personal book, she describes her own unexpected journey of coming out and coming to faith... and what came next. As she does so, she addresses many of the questions that Christians living with same-sex attraction are wrestling with: Am I consigned to a life of loneliness? How do I navigate my friendships? Will my desires ever change? Is there some greater purpose to all this? What comes next, and next, and next? Drawing on insights from the Bible and the experiences of others, *Born Again This Way* provides assurance and encouragement for Christians with same-sex attraction, and paints a compelling picture of discipleship for every believer. Whatever your sexuality, this book is an inspiring testimony of how a life submitted to Jesus will be fulfilling and fruitful, but not always in the ways we might expect.
