Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. Women Living Well is a clear and personal guide to making the most of these precious responsibilities.

This book begins with a lesson on the nature of astronomy, and then it covers the major structures of our solar system. Starting with the sun and working towards Pluto, the student will learn details about all nine planets (or is it eight? - your student will have to decide) in the solar system. Along the way, the student will also learn about Earth's moon, the asteroid belt, and the Kuiper belt. After that, the student will move outside our solar system and learn about the stars and galaxies that make up God's incredible universe. Finally, the student will learn about space travel and what it takes to be an astronaut! The activities and projects use easy-to-find household items and truly make the lessons come alive! They include making a solar eclipse, simulating the use of radar to determine a hidden landscape, and making a telescope. We

The Interrupted Life: Lessons from Jonah by Priscilla Shirer is a 64-page, pocket size booklet that contains daily nuggets of inspiration, based on content from the in-depth women's Bible study Jonah: Navigating a Life Interrupted."

You'll Learn from Jacob, Who Moved from Manipulation to Trust in God. Jacob is a troubling character in the Old Testament. He is conniving and he is spiritual too. He has moments of strong faith as well as of fear. His family is sometimes in disarray, and yet at the end he is the one who sets it straight. Jacob the Patriarch is a bit too much like us -- with very human strengths and weaknesses, but a man with a striving for spiritual things. From this imperfect man we learn important lessons of faith, especially, about God's grace. The events described in Jacob's story comprise most of Genesis chapters 25-49. If you haven't read the Old Testament much, you'll be pleased to find that God will speak to you here -- loud and clear. Each of the seven detailed lessons include probing discussion questions and can be used for personal enrichment, by
