The best review available for the Critical Care Nursing Certification Exam! Critical Care Nursing Certification: Preparation, Review, and Practice Exams, Seventh Edition is a complete, step-by-step study package that covers everything nurses need to know to pass the examination administered by the American Association of Critical Care Nurses (AACN). Following the CCRN blueprint, coverage of each subject is weighted to reflect its level of importance on the actual exam. Presented in concise, easy-to-read chapters, the book includes subject-specific practice exams, allowing readers to identify and focus on their weak areas. In addition, the handy "Editor's Note" feature explains changes to the exam, highlights what is important, and alerts readers to the number of questions they should expect on a given topic. New to this edition is remediation to answers in the practice exams that include rationales, test-taking tips, and strategies
