Introduction - Algebra I The following released test questions are taken from the Algebra I Standards Test. This test is one of the California Standards Tests administered as part of the Standardized Testing and Reporting (STAR) Program under policies set by the State Board of Education.

~~Introduction - Algebra I~~

If the student can recognize, read, and write the numbers 0-10, begin with the Alpha Placement Test. If, while taking that test, the student demonstrates mastery of Alpha content and the prerequisite skills for Beta, then the student can progress through the tests until the appropriate entry level is found.

Peterson's Private Secondary Schools is everything parents need to find the right private secondary school for their child. This valuable resource allows students and parents to compare and select from more than 1,500 schools in the U.S. and Canada, and around the world. Schools featured include independent day schools, special needs schools, and boarding schools (including junior boarding schools for middle-school students). Helpful information listed for each of these schools include: school's area of specialization, setting, affiliation, accreditation, tuition, financial aid, student body, faculty, academic programs, social life, admission information, contacts, and more. Also includes helpful articles on the merits of private education, planning a successful school search, searching for private schools online, finding the perfect match, paying for a private education, tips for taking the necessary standardized tests, semester programs and understanding the private schools' admission application form and process.

A hearing was held on the re-authorization of the National Assessment of Educational Progress (NAEP) and the National Assessment Governing Board (NAGB). Mary R. Blanton, Vice Chair of the NAGB, spoke about its mission and plans for design changes under the re-authorization. She also outlined the role of the NAGB in overseeing the voluntary national test and discussed state-based competency measures. Michael F. Ward, North Carolina Superintendent of Schools, represented the Council of Chief State School Officers as he spoke on the importance of the NAEP and the NAGB. As a representative of commercial test publishers, Larry Snowwhite of Riverside addressed several key issues regarding the re-authorization of the NAEP. Martha Schwartz, representative of a grass-roots organization focusing on mathematics education, urged the inclusion of content-based learning standards with a reliable test

to match the standards. Christopher Klicka, Executive Director of the Home School Legal Defense Association, expressed concerns that expansion of the roles of the NAEP and NAGB would lead to increased nationalization of education standards and testing. Ambrosio E. Rodriguez , of the Mexican American Legal Defense and Educational Fund, also testified about the importance of high standards. Nine appendixes contain the written statements of these witnesses and remarks from two congressmen. (SLD)

Peterson's Private Secondary Schools: Traditional Day and Boarding Schools is everything parents need to find the right day or boarding private secondary school for their child. Readers will find hundreds of school profiles plus links to informative two-page in-depth descriptions written by some of the schools. Helpful information includes the school's area of specialization, setting, affiliation, accreditation, subjects offered, special academic programs, tuition, financial aid, student profile, faculty, academic programs, student life, admission information, contacts, and much more.
