that follows a child from a dysfunctional background to adulthood, achieving many dreams and experiences of karma along the way. The path is random and, to no small extent, predetermined if you are prepared to listen to your sensitivities and those who have the gift of spiritual foresight. The psychic messages documented within are explanations, which may assist anyone with their quest for the meaning of their life, and develop a positive feeling on a path to destiny. It is a journey over 70 years with life experiences that directly involve forewarnings of Lockerbie and Alexander Kielland, working with the world's greatest gambler on UK racecourses, and helping to build the largest privately-owned global inspection company. If you practice karma throughout your life, rewards will address the balance to your benefit. Your family is your most precious asset and will never devalue. Hopefully, this book will encourage

cast of characters: Peanuts . Lovingly rendered by the late Charles Schulz, Peanuts is much more than a simple comic strip. Charlie Brown, Linus, Lucy and of course, Snoopy, have sneaked into our psyche and become international symbols of purity and happiness. Schulz created the characters, but it was the music of Vince Guaraldi that gave them life. Through the swinging beats of "Linus & Lucy" on the soundtrack to *A Boy Named Charlie Brown* , and the festive refrains on the holiday classic *A Charlie Brown Christmas* , he and his trio introduced millions of people to jazz in the
