This is the only resource you will need to prepare for and pass your certification exams. CERTIFICATION EXAM REVIEW FOR DENTAL ASSISTING, 1st Edition is designed around the Dental Assisting National Board (DANB) Examination blueprint. Its fresh approach centers on how and what to study to pass a variety of state and regional exams, while eliminating tangential material that can bog down the study process. Exam-focused chapters cover General Chairside Assisting, Infection Control, and Radiation Safety, including photos, procedures, and terminology. CERTIFICATION EXAM REVIEW FOR DENTAL ASSISTING, 1st Edition also lays a foundation for the testing experience with an overview of the CDA, RHA, and ICE exams, exam study techniques and tips, and a discussion of other certifications offered by the DANB. Every chapter begins with a pre-test test containing a variety of exam questions on a particular topic area of the exam and concludes with answers, and rationales for each of the questions presented. CDA Exam Practice Questions are the simplest way to prepare for the CDA test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. the best way to practice taking a test is by going through lots of practice test questions. Our CDA Exam Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our CDA Exam Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.
