Civil Procedure is written by one of the leading voices on Procedure, Stephen Yeazell, who for this Ninth Edition is joined by his colleague Joanna Schwartz. Yeazell and Schwartz employ a pedagogical style that offers flexible organization at a

Acces PDF Civil Procedure

manageable length. The book gives students a working knowledge of the procedural system and introduces the techniques of statutory analysis. The cases selected are factually interesting and do not involve substantive matters beyond the experience of first-year students. The problems following the cases

Acces PDF Civil Procedure

present real-life issues.

Finally, the book incorporates a number of dissenting opinions to dispel the notion that most procedural disputes present clear-cut issues.
