techniques continues to diminish, contemporary marketing increasingly becomes the most reliable method of expanding outreach and reflecting the needs of the modern consumer. When implemented, these contemporary strategies offer the greatest support for their client base, with a product range that adapts to the desires of the target market. The channels used to underpin these strategies are also radically different from traditional methods - placing emphasis upon platforms such as social media. Designed for both undergraduate and postgraduate students, as well as those in executive

century personal selling processes with a basic look at sales management practices in a way that students want to learn and instructors want to teach. The overarching theme of the book is enabling salespeople to build relationships successfully and to create value with customers. Johnston and Marshall have created a comprehensive, holistic source of information about the selling function in modern organizations that links the process of selling (what salespeople do) with the process of managing salespeople (what sales managers do). A strong focus on the modern tools of selling,
