Corporate Finance: The Basics is a concise introduction to the inner workings of finance at the company level. It aims to take the fear out of corporate finance and add

Get Free Corporate Finance For Dummies Uk

the fun in, presenting the subject in a way that is simple to grasp and easy to digest. Its aim is to explain - and demystify - the essential ideas of corporate finance, avoiding the heavy use of maths and

Get Free Corporate Finance For Dummies Uk

formulae. The calculations and figures in the book are purely to illustrate fundamental concepts, appealing to readers' common sense, rather than stretch their ability to do "number-crunching". Topics covered

Get Free Corporate Finance For Dummies Uk

include: Financial statements through the corporate finance lens How to make investment decisions Cash versus profit Net working capital management How to determine the value of a business Through the

Get Free Corporate Finance For Dummies Uk

use of a subject map, this book explains how the key components of the subject are connected with each other, strengthening the reader's understanding. This book is the ideal introduction for anyone

areas while fostering an understanding of how financial decisions can create value. Corporate Finance covers areas related to estimating divisional cost of capital; executing a financing strategy;

Get Free Corporate Finance For Dummies Uk

establishing debt and dividend policies consistent with the company's strategy and environment; choosing between dividends and stock repurchases; managing high growth and managing working capital. Its new topics

Get Free Corporate Finance For Dummies Uk

include: - Corporate Financial Flexibility (Real options) - New Financial Instruments - Project Finance - Acquisitions and Control - Performance Measurement and Incentive Compensation The goal of

Get Free Corporate Finance For Dummies Uk

this book is to provide a thorough understanding of how and why firms make their financial decisions the way they do and their impact on shareholder value. The central theme of the book is Value Based Management,

Get Free Corporate Finance For Dummies Uk

which assumes that maximizing shareholder value is the governing objective of a firm. Each chapter of this new edition has detailed and real-life cases to help students easily understand and grasp
