Our previous title *The Writer's Block* turned out to be a blockbuster, with more than 50,000 copies sold. That's why we're following it with the illustrated *Creative Block*, which extends the audience to anyone in need of a creative burst, whether for a business presentation or a first novel. Author Lou Harry, the genius behind our wildly successful *Voodoo* line, has culled great advice from dozens of well-known contemporary creative people in many genres, from popular fiction (bestselling author Nicholas Sparks) to theater (Tony Award-winning director Robert Falls) to comedy (Saturday Night Live writer Hugh Fink) to children's books (Anna Grossnickle Hines). He presents their comments in his inimitable witty style, keeping readers chuckling even as they break through to new levels of creativity.

In this day and age, when art has become more of a commodity and art school graduates are convinced that they can only make a living from their work by attaining gallery representation, it is more important than ever to show the reality of how a professional, contemporary artist sustains a creative practice over time. The 40 essays collected here in *Living and Sustaining a Creative Life* are written in the artists' own voices and take the form of narratives, statements and interviews. Each story is different and unique, but the common thread is an ongoing commitment to creativity, inside and outside the studio. Both day-to-day and Big Picture details are revealed, showing how it is possible to sustain a creative practice that contributes to the ongoing dialogue in contemporary art. These stories will inform and inspire any student, young artist and art enthusiast, and will help redefine what 'success' means to a professional artist.

Celebrate 45 women artists, and gain inspiration for your own practice, with this beautiful exploration of contemporary creators from the founder of *The Jealous Curator*. Walk into any museum, or open any art book, and you'll probably be left wondering: where are all the women artists? *A Big Important Art Book (Now with Women)* offers an exciting alternative to this male-dominated art world, showcasing the work of dozens of contemporary women artists alongside creative prompts that will bring out the artist in anyone! This beautiful book energizes and empowers women, both artists and amateurs alike, by providing them with projects and galvanizing stories to ignite their creative fires. Each chapter leads with an assignment that taps into the inner artist, pushing the reader to make exciting new work and blaze her own artistic trail. Interviews, images, and stories from contemporary women artists at the top of their game provide added inspiration, and historical spotlights on art "herstory" tie in the work of pioneering women from the past. With a stunning, gift-forward package and just the right amount of pop culture-infused feminism, this book is sure to capture the imaginations of aspiring women artists.

Paint outside the lines! Jumpstart your creativity and inject new life into your art. Struggling to get started? Paralyzed by the fear of failure? Find yourself falling back on the same colors again and again? Just plain stuck? It happens to every artist sooner or later. What can you do to get unstuck quickly and painlessly? *Creative Freedom* presents 52 strategies for getting out of ruts and venturing beyond your comfort zone, courtesy of 25 artists who have been there, done that. Each approach is illustrated with a step-by-step painting demonstration. Together, they help you experiment with different mediums, new color combinations, fresh approaches to favorite subjects, and more. Try one a week for a year of creative adventure. Or dip in whenever you're feeling inspired. You may be surprised at the creative liberation that comes from...
Painting with your other hand. Going big with your canvas and brushes. Painting fast with 10-minute studies. Limiting your palette. Starting with a random line drawing or custom painting surface. Zooming in on one small detail of a landscape for abstract results. Copying the work

of an Old Master. Featuring an exciting variety of styles and mediums (oil, watercolor, acrylic and pastel), novel perspectives and an invigorating sense of play, this book is sure to generate creative sparks and joyful painting sessions. Getting unstuck has never been so fun!

This book is duct tape for the mouth of every artist's inner critic. Silencing that stifling voice once and for all, this salve for creatives introduces ten truths they must face in order to defeat self-doubt. Each encouraging chapter deconstructs a pivotal moment on the path to success—fear of the blank page, the dangers of jealousy, sharing work with others—and explains how to navigate roadblock. Packed with helpful anecdotes, thoughts from successful creatives, and practical exercises gleaned from Danielle Krysa's years of working with professional and aspiring artists—plus riotously apt illustrations from art world darling Martha Rich—this book arms readers with the most essential tool for their toolbox: the confidence they need to get down to business and make good work.

Collage has enjoyed a resurgence in popularity during the twenty-first century, resulting in an explosion of creativity. This showcase of cutting-edge contemporary art from across the globe features galleries of collage by 30 practitioners, from the surreal landscapes of Beth Hoeckel to Fabien Souche's humorous appropriations of pop culture. Each artist has also created a new piece especially for this book—all using the same original image, but with results as wildly diverse as the medium of collage itself. This collection is visual inspiration for art lovers and an appreciation of the transformation of old into new.

This book helps to improve your process and technique when approaching art, in all its forms. Intriguing, fun and challenging, this book will have you distorting, abstracting, morphing, reinventing and, above all, leaving the box behind. It is filled with over 100 tasks to get your head into a conceptual and creative space, encouraging experimentation and playfulness in art

From the bestselling author of Linchpin, Tribes, and The Dip comes an elegant little book that will inspire artists, writers, and entrepreneurs to stretch and commit to putting their best work out into the world. Creative work doesn't come with a guarantee. But there is a pattern to who succeeds and who doesn't. And engaging in the consistent practice of its pursuit is the best way forward. Based on the breakthrough Akimbo workshop pioneered by legendary author Seth Godin, *The Practice* will help you get unstuck and find the courage to make and share creative work. Godin insists that writer's block is a myth, that consistency is far more important than authenticity, and that experiencing the imposter syndrome is a sign that you're a well-adjusted human. Most of all, he shows you what it takes to turn your passion from a private distraction to a productive contribution, the one you've been seeking to share all along. With this book as your guide, you'll learn to dance with your fear. To take the risks worth taking. And to embrace the empathy required to make work that contributes with authenticity and joy.
