Period Repair Manual is your guide to

Page 42/48

Online Library Curtis Toledo Service Manual

better periods using natural treatments such as diet, nutritional supplements, herbal medicine, and natural hormones. It contains advice and tips for women of every age and situation. If you have a period (or want a period), then this book is for you. Topics include: * How to come off hormonal birth control * What your

Online Library Curtis Toledo Service Manual

period should be like* What can go wrong
* How to talk to your doctor * Treatment
protocols for all common period problems,
including PCOS and endometriosis The
second edition contains insights from
Professor Jerilynn Prior, more than 300
new references, and an additional chapter
on perimenopause and menopause.
