Why does this word have an accent? When do I use ser and estar? Why por and not para? I don't understand the difference between the imperfect and the preterit. The subjunctive? I give up! Do these questions sound familiar to you? If they do, you have the right book. I had the same exact questions when I was studying Spanish. Now, I know them well enough to explain in this book. I have to admit that I don't always know the reason why I use one form instead of another; I learned a lot just from reading and listening to spoken Spanish.

A fun, user-friendly workbook o-or "playbook"-Demystifying Spanish® takes the mystery and confusion out of learning Spanish with dozens of illustrations, amusing anecdotes, and

"God Made This/Dieu a fait ceci" is an English/French bilingual book for children. This is Volume 5 in the series and this is Level 1 for infants to toddlers. The books in this juvenile non-fiction series are intended to teach reading in two languages; they are not "story" books. This book includes single words and pairs of words for the ear training of infants as well as toddlers. The pictures help infants

associate sounds with symbols--images at first and ultimately words at the toddler level and beyond. Toddlers will be able to repeat words, word pairs, phrases, and brief sentences aided by the picture cues. They will gradually be able to read the words using the printed word as their cue. This volume presents images of the natural world around us and are of high interest to young children. The natural environment, earth, sky, water features, animals, flowers, fruits, vegetables, and a variety of types of people are included. The book teaches that "God made this." Color photos and illustrations were carefully selected to captivate your child's interest. Words and sentences were judiciously chosen and crafted to facilitate learning for both age groups. Words are re-entered throughout the book to help your child feel a sense of

 accomplishment. It is suggested that only one language be  
read at a time. Start with the child's first or "maternal"  
language for several reading sessions, then introduce the  
second language. At no time should the two languages be  
read during the same session. This volume should be of  
interest to English speakers who want to teach their  
child(ren) French as well as French speakers who wish to  
teach their child(ren) English. In addition, speakers of other  
languages will find the book useful for teaching their  
child(ren) both French and English. The books are ideal for  
day care centers, preschools, and elementary schools that  
offer or wish to include bilingual education or ESL in their  
educational programs. These bilingual print books and  
ebooks are suitable for the bilingual education of young
