This one is a reverse harem with M/M sex. It starts off with a bang, and doesn't let up. It also looks like it's going to be a series with these guys, and I'm not mad about it. The story is...

"Even shattered wings hold heavenly beauty." I don't know who I am. I don't even remember what my name is. I was lost, confused and broken the day I met them. My Angels. To the world, they're nothing but leather wearing, foul-mouthed bikers, but to me, they are my saviors. The light at the end of a very dark tunnel. However, as my memory starts

to come back to me in pieces, I fear the darkness ahead. Maybe the reason why I can't recollect anything is because I don't want to. Life is sweet in heaven. But hell doesn't want to let me go. Archangels MC is a Contemporary Romance Reverse Harem Standalone story where the heroine is just as fearless as her men, but the mystery that torments her once unraveled might be too much for them to overcome. If you like hot bikers with attitude and a soft gooey center, a little suspense in a story with twists and spins that will make your jaw drop, and a whole bunch of hotness mixed with sweet

train selected souls on how to manage the Afterlife. Ghosts, Demons, Reapers, and Angels. Classes on how to fly. Studies on the proper way to select souls. Weaponry. Premonition. Oh, and field trips to Hell. Sounds peachy, right? When souls turn up dead, I must work with my four sexy-as-sin mentors to uncover the truth of my new reality. Things are about to take a deadly turn. Welcome to Afterworld Academy where the price of admission...is your life. Dearly Departed is book one of a four book series by bestselling authors, Loxley Savage and Katie May. This is a reverse

harem romance meaning that the main character won't have to choose between her love interests. This is medium-burn and does contain strong language and sexual themes. Oh, and death. Lots and lots of death. Book one will end in a cliffhanger.\*Note from AuthorsThe main character does pass away from cancer (which is how she ends up in the Afterworld Academy). Please keep this in mind while reading, especially if that may be triggering to you. We would love for you to read our book, but we want you to take care of yourself.

When I'm resuscitated after a car accident, my second chance at life comes with a gift. I can hear the dead. I'm struggling to figure out my new life as a psychic. I'm trying to figure out my new feelings for my best friend since second grade, Jax. And I'd like to pass my freshman year of college, too. And then the Hunters show up. Rough Luke and gorgeous Mave. It doesn't take a psychic to tell those boys are trouble. They're trying to stop the November murders. A girl disappears from campus every November, and they believe she's being taken by a murderous

Poltergeist. They can't speak to the dead. They need me. Most of all, the women on our campus, and the ghosts of the dead girls, need me. I can't let them down. I hunt the ghost. And then the ghost hunts me. If I can trust Jax and these Hunters to have my back, we might all survive. But how can I ever reconcile these two worlds? I long for life with Jax, simple and sweet. And I crave the chance to use my gifts, with these two Hunters by my side. When you come back from the dead, how do you learn to live again?

I've lost my marbles. Luckily for me, my next-door neighbor and six of my brother's best friends agree to sail across the ocean with me. Until now, I never viewed the men as anything other than my brother's friends, but as I watch them work the sailboat, their muscles bunching, sweat glistening on their skin, my desire awakens. Suddenly, I wonder what it would be like to lie underneath them. Apparently, my seven sailors harbor the same forbidden thoughts, because they confess that they are eager to share me. How can I resist seven, well-built men with perfect abs, chiseled

faces, and passionate lips? It's impossible. Their touches and kisses make me feel like I'm in paradise. But paradise is short-lived. As I attempt to film illegal business practices for my documentary, I'm exposed to the sun and fall into a coma. Like Sleeping Beauty, I must hope that one of my seven princes will awaken me. Will the seven princes manage to bring Sleeping Beauty back to life?

Brynn of Haversey isn't just a spirit whisperer: she's a shadow whisperer, too, a person blessed (or some might say cursed) with both the powers of Heaven and

Hell. Because of her rare double gift, the Queen of Amerin expects her to master the spell of resurrection and restore her men--namely the crown prince--to life, but Brynn is starting to suspect that the magic will forever be maddeningly out of reach. Life at the Royal College isn't quite what Brynn expected, especially not when she's being forced to live a double life. Student by day, the country's only hope at night. Without a demi-god heir, Amerin is doomed. With the fate of the entire country resting on the shoulders of the clumsy half-angel girl, Brynn will have

to rely on her growing ghostly harem for help. The spirit of an academy professor. The prince of an enemy kingdom, and his aptly named brother, Trubble. The cousin of Brynn's longtime love. And then there's the prince himself, a man that nobody else can know is dead. Find the missing soul of a thief, enjoy the company of her only living boyfriend, Vex, and figure out a way to survive school and feuding gods. If Brynn can transform a fox into a human with the magic of a sneeze, surely she can do anything. HAUNTED is a reverse harem romance with a (slightly) clumsy but still

They think I'm half angel and half human. They think I have no magic. They think because I grew up in the human world I'm clueless about what to expect at Seraphim Academy. They're wrong. Whatever it takes to find him, including infiltrating the school myself. Even if it means going up against my brother's best friends, who know something about his disappearance and aren't talking. They may be angel royalty, but if they think they can intimidate me into leaving the school, they're wrong. There's also the problem of the delicious professor who knows my secret. He's hiding something too, and I'm going to find out what it is. But I'll have to be careful, because if anyone finds out I'm part demon? I won't just get kicked out of Seraphim Academy - I'll be dead.
