A hilarious and nostalgic account of twentieth-century Muslim life on the Indian subcontinent Basharat and his family are Indian Muslims who have relocated to Pakistan, but who remain deeply steeped in the nostalgia of pre-Partition life in India. Through *Mirages of the Mind*'s absurd anecdotes and unforgettable biographical sketches—which hide the deeper unease and sorrow of the family's journey from Kanpur to Karachi—Basharet emerges as a wise fool, and the host of this unique sketch comedy. From humorous scenes in colonial north India, to the heartbreak and homesickness of post-colonial life in Pakistan, *Mirages of the Mind* forms an authentic portrait of life among South Asia's Urdu speakers, rendered beautifully into English by Matt Reeck and Aftab Ahmad.

Though Barely A Hundred Years Old, The Urdu Short Story, Or Afsana', Has Established Itself At The Forefront Of Urdu Literature. Emerging As A Discrete Narrative Genre With Munshi Premchand, It Gained Momentum With The Progressive Writers' Movement In The 1930S. The Partition Of The Subcontinent In 1947 Introduced New Dynamics Into The Genre As Writers Grappled With Emerging Trends Of Modernism And Symbolism As Well As With A Depleted Readership In India And The Challenge Of Establishing A New Literary Tradition Commensurate With A New Nationhood In Pakistan. The Penguin Book Of Classic Urdu Stories Brings Together Sixteen Memorable Tales That Have Influenced Generations Of Readers. From Saadat Hasan Manto'S Immortal Partition Narrative Toba Tek Singh' And The Harrowing Realism Of Premchand'S The Shroud' To The Whimsical Strains Of Qurratulain Hyder'S Confessions Of St Flora Of Georgia' And The Daring Experimentation Of Khalida Husain'S Millipede', This Definitive Collection Represents The Best Of Short Fiction In Urdu. In The Process, It Provides A Glimpse Of The Works Of Acclaimed Masters On Both Sides Of The Border Ismat Chughtai And Ashfaq Ahmad, Rajinder Singh Bedi And Intizar Husain, Krishan Chander And Hasan Manzar, Naiyer Masud And Ikramullah.

Schimmel provides a comprehensive study of the complicated and highly sophisticated system of rhetoric and imagery used by the poets of Iran, Ottoman Turkey, and Muslim India. She shows that images in Persian poetry have been used and refined over the centuries and reflect changing conditions in the Muslim world.

Each chapter in *CONTENDING VOICES* examines the lives of two individuals, some of them familiar historical figures and some of them lesser known, who took opposing positions on important issues in American history. The “paired biographies” in the text are followed by a set of four to six related primary sources, many in the individuals' own voices; a “Questions to Consider” section; and an annotated bibliography. This unique format promotes critical thinking and engages students in enlightening historical debates. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

In this anthology, which comprises some of Khushwant Singh's best writing, you can look forward to some talk of sex, a little of Scotch and much Scholarship. The collection attempts to mirror the author's concerns and passions-his love of nature, his anguish over the situation in Punjab, his interest in religions of the world and his scholarly research on the one into which he was born, Sikhism. The highlight of this book, however, is the expansive, autobiographical opening piece written in Khushwant's characteristically candid style and

perhaps the most complete self-portrait he has yet painted.

‘ The Emergency has become a synonym for obscenity. Even men and women who were pillars of Emergency rule and misused their positions to harass innocent people against whom they had personal grudges try to distance themselves from their past in the hope that it will fade out of public memory forever. We must not allow them to get away with it, ’ says Khuswant Singh, while fearlessly stating his own reasons for championing the Emergency. This bold and thought-provoking collection includes essays on Indira Gandhi ’ s government, the Nanavati Commission ’ s report on the 1984 riots and the riots themselves, as well as captivating pieces on the art of kissing and the importance of bathing. Alongside these are portraits of historical figures such as Bahadur Shah Zafar, General Dyer, Ghalib and Maharaja Ranjit Singh as well as candid profiles of the famous personalities he has known over the years, revealing intimate details about their lives and characters. From his reflections on Amrita Sher-Gil ’ s alleged promiscuity to the experience of watching a pornographic film with a stoic R.K. Narayan, this is Khuswant Singh at his controversial and iconoclastic best. Selected and edited by Sheela Reddy, *Why I Supported the Emergency: Essays and Profiles* covers three quarters of a century. Straight from the heart, this is unadulterated Khuswant Singh.

This collection of short stories focuses on the Scottish civil war of 1644-45, in which the Marquis of Montrose led his royalist forces in a series of stunning victories against the odds before his final defeat at Philiphaugh. Each of Hogg's five tales centres on one of the five major battles of Montrose's brilliant but ultimately futile campaign. Each tale is utterly different from the others in genre and tone, but taken together they build up a composite picture of what it was like to experience the 'anarchy and confusion' of the time at first hand.

How do religious traditions create strangers and neighbors? How do they construct otherness? Or, instead, work to overcome it? In this exciting collection of interdisciplinary essays, scholars and activists from various traditions explore these questions. Through legal and media studies, they reveal how we see religious others. They show that Jewish, Christian, Islamic, and Sikh texts frame others in open-ended ways. Conflict resolution experts and Hindu teachers, they explain, draw on a shared positive psychology. Jewish mystics and Christian contemplatives use powerful tools of compassionate perception. Finally, the authors explain how Christian theology can help teach respectful views of difference. They are not afraid to discuss how religious groups have alienated one another. But, together, they choose to draw positive lessons about future cooperation.

‘ An exceptionally well-written book ’ Ian Talbot In over three decades as a police officer, Kirpal Dhillon handled some of the most challenging assignments in independent India, from anti-dacoity operations in Madhya Pradesh to revamping a demoralized force as police chief of Punjab in the aftermath of Operation Blue Star. These memoirs describe his experiences in fascinating detail, and present vivid portraits of a range of people, including sadhus and swindlers, maharajas and brigands, scheming politicians and back-stabbing colleagues. There are evocative descriptions of his village in Punjab, of Partition, and of the leaders he worked with, such as Nehru, Indira Gandhi and Morarji Desai. He writes with insight and expertise about terrorism, law-and-order problems, the training of administrators and policemen, and what can be done to ensure that they function with greater autonomy, accountability and humanity.
