The Sales and Use Tax Answer Book is the key reference source for which practitioners have been searching. Not only is it comprehensive and clear; it also provides extensive citation to important case and statutory law. Forty-five states and the District of Columbia impose a sales tax on the retail sale of tangible personal property and selected services. In addition, there are 7,500 cities, municipalities, towns, school districts, counties, and other special taxing districts that levy sales and use taxes. The varying rates, the

this discipline more effectively. Science Teaching Reconsidered provides undergraduate science educators with a path to understanding students, accommodating their individual differences, and helping them grasp the methods--and the wonder--of science. What impact does teaching style have? How do I plan a course curriculum? How do I make lectures, classes, and laboratories more effective? How can I tell what students are thinking? Why don't they understand? This handbook provides productive approaches to these and other questions. Written by scientists who are also educators, the handbook offers suggestions for having a greater impact in the classroom and provides resources for further research.

" ... analyzes the rules of [section] 6901 and related judicial interpretations. Beginning with a general discussion of transferee liability and its development from the so-called trust fund doctrine, the Portfolio distinguishes between transferee liability in equity and liability at law. The liability of a transferee at law or equity for the tax of the transferor is governed by state law and in some cases by federal statutes. The liability of the transferor is determined under the Internal Revenue Code. Section 6901 does not create a
