Applying to University gives current advice from experts to ensure you can present a winning application to a university admissions panel. Unravelling the mysteries of university applications and highlighting what admissions tutors are really looking for in prospective students, *The Insider's Guide to Applying to University* is your indispensable resource if you want to get ahead in applying to university. Can you afford not to?

Who gets into elite universities, how and why? What are places like Harvard in the United States or Cambridge in England looking for when they admit undergraduate students? What qualities do selectors value and how do they decide between many applicants with often stellar attainment records? And, are we all better off because of who these elite universities admit? *Meritocracy and the University* provides an insight into the world of university admissions. Based on interviews with professional admissions staff and academic faculty members who select students, the book explains what selectors value and how they make decisions. By shining a light on the world of university admissions in England and in the United States, readers are invited to reflect on the similarities and differences in who selects and how selection is done, the purpose and mission of universities, and the challenges universities face in building fair admissions processes when earlier opportunities to shine in education are unequally distributed.

guides in a portable format. Information is displayed in an easy-to-read layout with helpful images and tables. Bullet Guides include all you need to know about a subject in a nutshell. Get right to the point without wading through loads of unnecessary information.

Comedian and actor Stephen Fry's witty and practical guide, now in paperback, gives the aspiring poet or student the tools and confidence to write and understand poetry. Stephen Fry believes that if one can speak and read English, one can write poetry. In *The Ode Less Travelled*, he invites readers to discover the delights of writing poetry for pleasure and provides the tools and confidence to get started. Through enjoyable exercises, witty insights, and simple step-by-step advice, Fry introduces the concepts of Metre, Rhyme, Form, Diction, and Poetics. Most of us have never been taught to read or write poetry, and so it can seem mysterious and intimidating. But Fry, a wonderfully competent, engaging teacher and a writer of poetry himself, sets out to correct this problem by explaining the various elements of poetry in simple terms, without condescension. Fry's method works, and his enthusiasm is contagious as he explores different forms of poetry: the haiku, the ballad, the villanelle, and the sonnet, among many others. Along the way, he introduces us to poets we've heard of but never read. *The Ode Less Travelled* is not just the survey course you never took in college, it's a lively celebration of poetry that makes even the most reluctant reader want to pick up a pencil and give it a try.
