November 1815. An enslaved woman named Anna is sold away from her family in Maryland to slave traders, taken to Washington, D.C., and locked in a tavern garret. She is about to be sent to Georgia and separated from her husband and children. Desperate and trapped, she makes a decision that changes everything.

Anna has been turned over to Devin Andersen, the most powerful man in San Francisco. What does he have planned for her? Is she just his mistress? Or does he have darker designs in mind? Anna's entire life was scripted out before she was born by Devin Andersen, a man who doesn't have her best interests in mind. She is destined to be a tool in his hands to gain ultimate power in the USA. No, not as the President, but as the man who controls the President. Raised by an extremely abusive guardian, Anna was molded into the perfect tool for Devin's use. Devin will use Anna's unique gifts to control everyone around him and eventually take her gifts for himself. When Devin took her for himself at the age of sixteen, she had a vision of a man. A man who Devin was very interested in. But why? Why would Devin care about a

young girl's dreams?

Anna has two masters, one she hardly knows, but who makes her feel safe, the other she's known all her life and says he needs her. Alex wants her to be free. Devin demands her obedience. As Anna takes her first steps into the world, into love, into friendship, she wonders if she will ever understand either of them. There is a subculture within our own world that you've only heard whispers of. The conspiracy theorists wish they knew Anna's story. What the conspiracy theorists think they know is only disinformation, put out there to keep them from the real story.

Anna's entire life was scripted out before she was born by Devin Andersen, a man who doesn't have her best interests in mind. She is to be a tool in his hands to gain ultimate power in the USA. No, not as the President, but as the man who controls the President. Raised by an extremely abusive guardian, Anna was molded into the perfect sex slave for Devin's use. Devin will use Anna's unique gifts to control everyone around him and eventually take her gifts for himself. When Devin took her for himself at the age of twelve, she had a vision of a man. A man who Devin was very interested in. But why? Why would Devin care about a little girl's dreams?

The Sunday Times top ten bestseller... You're not going home. You're not going anywhere. You're mine now. Growing up in a deeply troubled family, 15-year-old Anna felt lost and alone in the world. So when a friendly taxi driver befriended her, Anna welcomed the attention, and agreed to go home with him to meet his family. She wouldn't escape for over a decade. Held captive by a sadistic paedophile, Anna was subjected to despicable levels of sexual abuse and torture. The unrelenting violence and degradation resulted in

numerous miscarriages, and the birth of four babies... each one stolen away from Anna at birth. Her salvation arrived thirteen years too late, but despite her shattered mind and body, Anna finally managed to flee. This is her harrowing, yet uplifting, true story of survival.

Instant New York Times Bestseller "May this book cast its spell on all of us, restore to us some memory of our most warrior and softest selves." —The New York Times Book Review "A new kind of epic...A grand achievement...While The Prophets' dreamy realism recalls the work of Toni Morrison...its penetrating focus on social dynamics stands out more singularly." —Entertainment Weekly A singular and stunning debut novel about the forbidden union between two enslaved young men on a Deep South plantation, the refuge they find in each other, and a betrayal that threatens their existence. Isaiah was Samuel's and Samuel was Isaiah's. That was the way it was since the beginning, and the way it was to be until the end. In the barn they tended to the animals, but also to each other, transforming the hollowed-out shed into a place of human refuge, a source of intimacy and hope in a world ruled by vicious masters. But when an older man—a fellow slave—seeks to gain favor by preaching the master's gospel on the plantation, the enslaved begin to turn on their own. Isaiah and Samuel's love, which was once so simple, is seen as sinful and a clear danger to the plantation's harmony. With a lyricism reminiscent of Toni Morrison, Robert Jones, Jr., fiercely summons the voices of slaver and enslaved alike, from Isaiah and Samuel to the calculating slave master to the long line of women that surround them, women who have carried the soul of the plantation on their shoulders. As tensions build and the weight of centuries—of ancestors and future generations to come—culminates in a climactic reckoning, *The Prophets* masterfully reveals the

pain and suffering of inheritance, but is also shot through with hope, beauty, and truth, portraying the enormous, heroic power of love.

Winner of the Los Angeles Times Book Prize in History A bold and searing investigation into the role of white women in the American slave economy “Compelling.”—Renee Graham, Boston Globe “Stunning.”—Rebecca Onion, Slate “Makes a vital contribution to our understanding of our past and present.”—Parul Sehgal, New York Times Bridging women’s history, the history of the South, and African American history, this book makes a bold argument about the role of white women in American slavery. Historian Stephanie E. Jones-Rogers draws on a variety of sources to show that slave-owning women were sophisticated economic actors who directly engaged in and benefited from the South’s slave market. Because women typically inherited more slaves than land, enslaved people were often their primary source of wealth. Not only did white women often refuse to cede ownership of their slaves to their husbands, they employed management techniques that were as effective and brutal as those used by slave-owning men. White women actively participated in the slave market, profited from it, and used it for economic and social empowerment. By examining the economically entangled lives of enslaved people and slave-owning women, Jones-Rogers presents a narrative that forces us to rethink the economics and social conventions of slaveholding America.

You ever notice how when you lose someone you hold dearly to your heart; you tend to question Gods existence or maybe that’s just me. Losing his wife made him question God and in the process he lost his faith in him because he didn’t understand why he would let her die after the endless prayers

## Marissa Honeycutt

and fasting she and he went through. You see at some point in life Wandile had hope, hope that things would be better but he blames God, he claims that he killed his hope and since then he's been asking himself one question; Is there even a God up there? This question is normal for Christians when they lose loved ones, but it's mostly common for those with weaker faith in the almighty. You see when you in a situation where by all you've ever done is lose you bound to lose all hope and faith in him and the last thing you want to hear is people preaching to you about the goodness of God and honestly this book takes you through the rollercoaster ride of faith and hope working together and how they relate to each other. I didn't right this book to make you question your faith further but it was mostly about me finding my own healing in God. Losing a loved one is not easy to get over, it requires time and trust me with time you do find healing and I am happy to have written this particular book because I came to learn that a lot of people found their healing in this particular book. Yes it is sad and painful and maybe tests ones faith but it all comes together in the end with a happy ever after in Christ. Take this journey with Wandile as he tries to find his healing.

Servants of Allah presents a history of African Muslims, following them from West Africa to the Americas. Although many assume that what Muslim faith they brought with them to the Americas was quickly absorbed into the new Christian milieu, as Sylviane A. Diouf demonstrates in this meticulously-researched, groundbreaking volume, Islam flourished during slavery on a large scale. She details how, even while enslaved, many Muslims managed to follow most of the precepts of their religion. Literate, urban, and well-traveled, they drew on their organization, solidarity and the strength of their beliefs to play a major part in the most well-known slave

uprisings. But for all their accomplishments and contributions to the history and cultures of the African Diaspora, the Muslims have been largely ignored. Servants of Allah—a Choice 1999 Outstanding Academic Title—illuminates the role of Islam in the lives of both individual practitioners and communities, and shows that though the religion did not survive in the Americas in its orthodox form, its mark can be found in certain religions, traditions, and artistic creations of people of African descent. This 15th anniversary edition has been updated to include new materials and analysis, a review of developments in the field, prospects for new research, and new illustrations.

HOPE noun an expectation and desire for a certain thing to happen When her newfound happiness is suddenly ripped away, twenty-two-year-old Kyra is thrust into the cruel world of hardened arms dealer, Nathan Pierce. Her calculating kidnapper is a master in a game of leverage and abduction, whose power appears to have no limit. Confounded by an unexpected magnetism, Kyra's resolve unravels as she becomes engulfed in Nathan's dangerous world, even when she is terrorized by his inner demons. Is Kyra holding on to the distorted hope of an impossible future or can she find light beyond the darkness?

Anna Kingsley's life story adds a dramatic chapter to histories of the South, the state of Florida, and the African Diaspora. Both an American slave and a slaveowner and possibly an African princess. Anna was captured as a teenager in Senegal in 1806 and sold into slavery. Zephaniah Kingsley, Jr., a planter and slave trader from Spanish East Florida, bought her in Havana and took her to his St. Johns River plantation, where she soon became his household manager, his wife, and eventually the mother of four of his children.
