The new, eighth edition of the Essentials of Business Law program is a practical, concise, and broad-based introduction to the vibrant field of business law. While continuing to offer all of the features that have made the seven prior editions successful, this new edition now includes, a four-color design, updated content, two new appendices, and enhanced support materials. Both the traditional areas of law, such as contracts and property, and the emerging areas of law, such as e-commerce and environmental, are covered in short, informative chapters written to capture the essence of each topic. This book has been developed for those seeking a more fundamental overview of the concepts and principles that are vital to the understanding of business law.

The sixth edition of this popular textbook presents the most practical, most current, and only concise, broad-based introduction to the study of business law principles and practices. The material has been revised and updated to reflect recent developments in the legal field, and every chapter includes an abundance of real-world examples that illustrate the law at work. In-depth coverage of the latest issues in business law, including new coverage of technology, product liability, and employment law, is also provided. New presentation and an engaging design make the book easy to teach and understand, and the new and expanded pedagogy, with an emphasis on teachability and assessment, offers teachers and students a wealth of opportunities for enriching the learning experience. Students will come away with a clear understanding of business law topics and be able to identify, explain, and apply the principles of business law in the world around them.

The seventh edition of Essentials of Business Law retains all of the strengths of past editions but has been revised and enhanced to cover the latest developments in the legal field. This text will help you discover a wealth of information and learning opportunities that will give a clear understanding of business law topics. This text will also help to identify, explain, and apply the principles of business law in your daily lives and in the larger world in which you live.
