This never-before-translated masterpiece—by a heroic best-selling writer who saw his life crumble when he wouldn’t join the Nazi Party—is based on a true story. It presents a richly detailed portrait of life in Berlin under the Nazis and tells the sweeping saga of one working-class couple who decides to take a stand when their only son is killed at the front. With nothing but their grief and each other against the awesome power of the Reich, they launch a simple, clandestine resistance campaign that soon has an enraged Gestapo on their trail, and a world of terrified neighbors and cynical snitches ready to turn them in. In the end, it’s more than an edge-of-your-seat thriller, more than a moving romance, even more than literature of the highest order—it’s a deeply stirring story of two people standing up for what’s right, and for each other.

A sprawling saga of the collapse of a culture, its economy and government and the common man's struggle to survive it all. Set in Weimer Germany soon after their defeat in WWI, a young gambler looses it all in Berlin and flees the city for the countryside. However, he is greeted by a defeated German army that has camped there to foment insurrection. Somehow, amidst all the chaos, he finds romance. This fast-moving thriller is also a fascinating piece of history, written in lyrical prose that carries a powerful emotional punch.

This is the book that led to Hans Fallada’s downfall with the Nazis. The story of a young couple struggling to survive the German economic collapse was a worldwide sensation and was made into an acclaimed Hollywood movie produced by Jews, leading Hitler to ban Fallada’s work from being translated. Nonetheless, it remains, as The Times Literary Supplement notes, “the novel of a time in which public and private merged even for those who wanted to stay at home and mind their own business.” *** This is a Hybrid Book. Hans Fallada was a drug addict, womanizer, alcoholic, jailbird and thief. Yet he was also one of the most extraordinary storytellers of the twentieth century, whose novels, including Alone in Berlin, portrayed ordinary people in terrible times with a powerful humanity. This acclaimed biography, newly revised and completely updated, tells the remarkable story of Hans Fallada, whose real name was Rudolf Ditzen. Jenny Williams chronicles his turbulent life as a writer, husband and father, shadowed by mental torment and long periods in psychiatric care. She shows how Ditzen’s decision to remain in Nazi Germany in 1939 led to his self-destruction, but also made him a unique witness to his country’s turmoil. More Lives Than One unpicks the contradictory, flawed and fascinating life of a writer who saw the worst of humanity, yet maintained his belief in the decency of the ‘little man’.

An unforgettable portrayal of the physical and psychological devastation wrought in the homeland by Hitler’s war. April, 1945. The war is over, yet Dr Doll -- the mayor of small town in Russian-occupied north-east Germany -- lives in constant fear. Haunted by nightmarish images of the bombsite in which he and his fellow Germans are trapped, he wishes to vanquish the demon of collective guilt, but he is unable to right any wrongs. Fleeing to Berlin, he and his young wife find solace in morphine addiction, as they try to make their way in the chaos of a city torn apart by war. Written with Fallada’s distinctive power and vividness, Nightmare in Berlincaptures the demoralised and desperate atmosphere of post-war Germany in a way that has never been matched or surpassed. The translation of this work was supported by a grant from the Goethe-Institut which is funded by the German Ministry of the Arts.

Four men who are related to each other but became estranged during World War II are reunited in Rome after the war.

Stasiland tells true stories of people who heroically resisted the communist dictatorship of East Germany, and of people who worked for its secret police, the Stasi. Internationally hailed as a classic, it is ‘fascinating, entertaining, hilarious, horrifying and very important’ (Tom Hanks) and ‘a heartbreaking, beautifully written book’ (Claire Tomalin). East Germany was one of the most intrusive surveillance states of all time. One in 7 people spent on their friends, family and colleagues. In ‘the most humane and sensitive way’ (J.M. Coetzee) Funder tells the true stories of four people who had the extraordinary courage to refuse to collaborate with the Stasi, and the price they paid. She meets Miriam Weber, who was imprisoned at 16 after scaling the Berlin Wall. She drinks with the legendary ‘Mik Jagger’ of the Eastern Bloc who was ‘disappeared’. And she finds former Stasi men who defend their regime long past its demise, and yearn for the second coming of Communism. Stasiland won the Samuel Johnson Prize for best non-fiction published in English in 2004. It was a finalist for the Guardian First Book Award, the W.H. Heinemann Award, the Index Freedom of Expression Awards, The Age Book of the Year Awards, the Queensland Premier’s Literary Award and the Adelaide Festival Awards for Literature (Innovation in Writing). It is read in schools and universities in many countries, and has been adapted for CD and the stage by The National Theatre, London.

Written in an encrypted notebook while incarcerated in a Nazi insane asylum and discovered after his death, The Drinker may be Hans Fallada’s most breathtaking piece of craftsmanship. It is an intense yet absorbing study of the descent into drunkenness by an intelligent man who fears he’s lost it all. *** This is a Hybrid Book. It is the summer of 1929, and in a small German town, a storm is brewing. Tredup, a shabby reporter working for the Pomeranian Chronicle, leads a precarious existence . . . until he takes some photographs that offer him a chance to make a fortune. While Tredup contemplates his next move, the town is buzzing. Farmers are plotting their revenge against greedy officials, a mysterious traveling salesman is stirring up trouble, and all the while, the Nazi party grows stronger as the Communists fight them in the street. As the town slowly slips into chaos, Mayor ‘Fatty’ Gareis does everything in his power to seek the easy life. As tensions mount between workers and bosses, town and country, and Left and Right, alliances are broken, bribes are taken, and plots are hatched, until the tension spills over into violence.
