Title: Exploring Strategy Text & Cases Series: - Author: Gerry Johnson, Richard Whittington & Kevan Scholes Genre: Educational/ Business Management Rating: 2.5 stars This text was useful for the subject I used it for - a business/management class - but not really for much else. It is filled with heaps of information that you might find interesting but this text is not one I'd personally recommend.

"We are delighted to offer this twelfth edition of Exploring Strategy. With sales of previous editions now well over one million worldwide, we believe we have a tried and tested product. Yet the strategy field is

constantly changing. For this edition, therefore, we have thoroughly refreshed all chapters, with new concepts, new cases and new examples throughout. Here we would like to highlight three principal changes, while recalling some of the classic features of the book"--
