While the book is by no means a great piece of literature its a strong and fun collection of storytelling about Mr. Berry's and others' experiences with fantasy sports. It's easy to read and especially nice over the summer (when I read it) as the fantasy football season is approaching.

And who knows, perhaps even to tasting victory in your league championship! Understand the basics of the game Pick the league right for you Assemble your dream team in the draft Develop your in-season management skills Know which quick fixes work and what common mistakes to avoid

"Jenny made me laugh so hard I feared for my safety! I think that's how she was able to get past my defenses and make me feel more okay about myself." -Allie Brosh, author ofHyperbole and a Half For fans of David Sedaris, Tina Fey, and Mindy Kaling-the new book from Jenny Lawson, author of the #1New York Times bestseller LET'S PRETEND THIS NEVER HAPPENED... In LET'S PRETEND THIS NEVER HAPPENED, Jenny Lawson baffled readers with stories about growing up the daughter of a taxidermist. In her new book,FURIOUSLY HAPPY, Jenny explores her lifelong battle with mental illness. A hysterical, ridiculous book about crippling depression and anxiety? That sounds like a terrible idea. And terrible ideas are what Jenny does best. According to Jenny: "Some people might think that being 'furiouly happy' is just an excuse to be stupid and irresponsible and invite a herd of kangaroos over to your house without telling your husband first because you suspect he would say no since he's never particularly liked kangaroos. And that would be ridiculous because no one would invite a herd of kangaroos into their house. Two is the limit. I speak from personal experience. My husband says thatnone is the new limit. I say he should have been clearer about that before I rented all those kangaroos." "Most of my favorite people are dangerously fucked-up but you'd never guess because we've learned to bare it so honestly that it becomes the new normal. Like John Hughes wrote inThe Breakfast Club, 'We're all pretty bizarre. Some of us are just better at hiding it.' Except go back and cross out the word 'hiding.'" Jenny's first book, LET'S PRETEND THIS NEVER HAPPENED, was ostensibly about family, but deep down it was about celebrating your own weirdness.FURIOUSLY HAPPY is a book about mental illness, but under the surface it's about embracing joy in fantastic and outrageous ways-and who doesn't need a bit more of that?

Growing old disgracefully and having a grand old time... Billy and Dawnie may be in their seventies, but that won't stop them taking chances or starting again. Their grown-up children have families and lives of their own, so now it's Billy and Dawnie's turn, and a life near the sea in Devon beckons. But the residents of Margot Street (or Maggot Street as Dawnie insists on calling it), don't quite know what to make of their new neighbours. Billy's loud, shiny and huge Harley Davidson looks out of place next to the safe and sensible Honda Jazz next door, and Dawnie's never-ending range of outrageous wigs and colourful clothes, means she's impossible to miss. As new friendships are formed and new adventures are shared, Billy and Dawnie start winning their neighbours' affection. And when life teaches them all a terrible lesson, the folks of Margot Street are determined to live every day as if it's their last. Judy Leigh returns with a soul-warming, rib-tickling, timeless tale of true love, true friendship and happy-ever-afters. Praise for Judy Leigh: "Brilliantly funny, emotional and uplifting!" Miranda Dickinson 'Lovely . . . a book that assures that life is far from over at seventy' Cathy Hopkins bestselling author of The Kicking the Bucket List 'Brimming with warmth, humour and a love of life... a wonderful escapade!' Fiona Gibson, bestselling author of The Woman Who Upped and Left

A "playful, enlightening, and creative collection" (Spirituality and Practice) of spiritual lessons, anecdotes, and thoughts on the Divine's intervention in our lives, this brilliantly written and wonderfully entertaining book teaches us how to live purposefully and in line with the Force of Love. "What if the Divine is constantly igniting roadside flares to get our attention? What if there actually is a Supreme Organizing Principle with an unbridled sense of humor? And what if we each have this ardent inner suitor who's writing us love letters every day that often go unopened?" Whether we know it or not, we all experience the touch of the Divine in our lives every single day. After twenty-five years spent consulting and advising tens of thousands of people from all over the world, Tosha Silver realized that almost all of us have similar concerns: "How do I stop worrying? How can I feel safe? Why do I feel so alone?" and often, "Who am I really?" For the passionately spiritual and the bemusedly skeptical alike, she created Outrageous Openness. This delightful book, filled with wisdom and fresh perspectives, helps create a relaxed, trusting openness in the reader to discover answers to life's big questions as they spontaneously arise. Outrageous Openness opens the door to a profound truth: By allowing the Divine to lead the way, we can finally put down the heavy load of hopes, fears, and opinions about how things should be. We learn how to be guided to take the right actions at the right time, and to enjoy the spectacular show that is our life.

There is a sickness in the land. Prophets tell of the fall of empires, the rise of champions. Great beasts stir in vaults beneath the hills, beneath the waves. Armies mass. Gods walk. The world will be torn asunder. Epic fantasy is storytelling at its biggest and best. From the creation myths and quest sagas of ancient times to the mega-popular fantasy novels of today, these are the stories that express our greatest hopes and fears, that create worlds so rich we long to return to them again and again, and that inspire us with their timeless values of courage and friendship in the face of ultimate evil!tales that transport us to the most ancient realms and show us the most noble sacrifices, the most astonishing wonders. Now acclaimed editor John Joseph Adams (Wastelands, The Living Dead) brings you seventeen tales by today's leading authors of epic fantasy, including George R. R. Martin (A Song of Ice and Fire), Ursula K. Le Guin (Earthsea), Robin Hobb (Realms of Elderlings), Kate Elliott (Crown of Stars), Tad Williams (Of Memory, Sorrow & Thorn), Patrick Rothfuss (The Kingkiller Chronicle), and more. Return again to lands you've loved or visit magical new worlds. Victory against the coming darkness is never certain, but one thing's for sure!your adventure will be epic.

The ESPN comedy team presents an offbeat list of sports rules to live by, in a treasury of provocative ideas and proclamations culled from their top-rated morning show. 75,000 first printing.

A retired group of legendary mercenaries get the band back together for one last impossible mission in this award-winning debut epic fantasy. "Fantastic, funny, ferocious." - Sam Sykes Clay Cooper and his band were once the best of the best, the most feared and renowned crew of mercenaries this side of the Heartwyld. Their glory days long past, the mercs have grown apart and grown old, fat, drunk, or a combination of the three. Then an ex-bandmate turns up at Clay's door with a plea for help--the kind of mission that only the very brave or the very stupid would sign up for. It's time to get the band back together. WINNER OF THE DAVID GEMMELL MORNINGSTAR AWARD FOR BEST FANTASY DEBUT.WINNER OF THE REDDIT/FANTASY AWARD FOR BEST DEBUT FANTASY NOVEL. For more from Nicholas Eames, check out: Bloody Rose

The provocative host of The Herd with Colin Cowherd shares uproarious contrarian observations on topics ranging from O.J. Simpson and Eagles fans to his multiple divorces and the challenges of staying sane.

"Exquisite. Full of wry humor, tenderness, and compassion." "Janette Walls, New York Times bestselling author A hilarious and heartbreaking memoir about a mother and son's outlandish odyssey of self-discovery, and the rag-tag community that rallied to help them when they needed it most. Dan Mathews knew that his witty, bawdy seventy-eight year-old mother, Perry, was unable to maintain her fierce independenceso he flew her across the country to Virginia to live with him in an 1870 townhouse badly in need of repairs. But to Dan, a screwdriver is a cocktail not a tool, and he was soon overwhelmed with two fixer-uppers: the house and his mother. Unbowed, Dan and Perry built a rollicking life together fueled by costume parties, road trips, and an unshakable sense of humor as they faced down hurricanes, blizzards, and Perry's steady decline. They got by with the help of an ever-expanding circle of sidekicks!Dan's boyfriends (past and present), ex-cons, sailors, strippers, deaf hillbillies, evangelicals, and grumpy cats!while flipping the parent-child relationship on its head. But it wasn't until a kicking-while-screaming trip to the emergency room that Dan discovered the cause of his mother's unpredictable, often caustic behavior: undiagnosed schizophrenia. Irreverent and emotionally powerful, Like Crazy is a l]ourney to self-acceptance and ultimately finding love! (Alan Cumming) and shows the remarkable growth that takes place when a wild child settles down to care for the wild woman who raised him.
