TractorData.com Farmall 460 tractor information
The Farmall 460 is a two-wheel drive (2WD) row-crop tractor, manufactured by International Harvester (IH) between 1958 and 1963. The Farmall 460 tractor is equipped with C-221 6-cylinder gasoline or D-236 diesel-powered engine and sliding gear transmission with 5 forward and 1 reverse gear. This row-crop tractor was the smallest of the six-cylinder tractors in the new line, rated for four ...
Farmall 460 tractor: review and specs Tractor Specs
Farmall 460 Parts Manual It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious. Farmall 460 hydraulic failure Farmall 460 Hydraulics are working ...

A tractor repair manual written for the experienced mechanic by professionals in an easy-to-use format , including numerous photos, illustrations and exploded views.

How to Restore Farmall Tractors, the only Farmall restoration guide, is back in print, packed with more than 300 photographs, proven tips and techniques, and money-saving advice from experts who know what works...and what doesn't.

Restoration is one thing. Correct restoration is quite another! This extensively researched, beautifully illustrated book describes in detail the correct paint and decals for your Letter Series or McCormick-Deering tractor. Filled with factory drawings indicating decal placement, instructions for factory paint and finish of individual parts, and more for the Farmall A, B, C, H, M, and Cub; the McCormick-Deering -4, -6, and -9; and the Super Series and -TA tractors.

The developmental history of the tractors built by the dominant agricultural manufacturer of the early 20th Century, International Harvester, is dramatically told in The Farmall Dynasty. The book traces the evolution of the Farmall tractor from the early Titans and Moguls through to modern times.The book includes well-researched accounts of the development of the original Farmall, the Letter Series, 4100, Cub, and other legendary IHC tractors, with first-hand accounts from factory engineers describing the challenges they faced.

Total Tractor! is all about tractors--from exciting vintage tractors and farming machines to the latest state-of-the-art John Deere. Galleries of colorful tractors of every kind and all their amazing attachments are interspersed with stunning images of tractors in action. There's a complete history of tractors from steam tractor to diesel, and many makes, such as Massey Ferguson, are shown in fascinating detail. Crazy contests such as tractor pulling are also featured. Total Tractor! is the must-read book for any child who is passionate about tractors.
