"A visual celebration of the iconic car of Italy's fashionable dolce vita boom years. The Fiat 500, which began production in 1957, is the iconic car of Italy's free-spirited boom years, when Italian films, fashion, and design took the world by storm. The car remains immortalized in America's imagination and is much sought after by collectors and anyone with a nostalgic love for la dolce vita. This book celebrates the 500 for both its groundbreaking design and its role as a pop-culture icon. Despite its diminutive size, it proved to be enormously practical

and popular. It was an instant hit with the Cinecitta movie stars as well as with American tourists absorbing Italy's local color. The book features an array of vintage images of the 500, including film stills, paparazzi shots, and advertising, in addition to more serious chapters on design. The publication of this handsome tribute volume is timed with Fiat's release in the United States of its updated version of the car for the twenty-first century, the Fiat Nuova 500"--Publisher's description.

Watts draws on a variety of religious traditions and explores the limits of language in the face of spiritual truth.

Designed by Mercedes's head of design Bruno Sacco, the W124 range immediately became the benchmark by which medium-sized car models were judged in the late 1980s due to its engineering excellence and high build quality. There was a model to suit every would-be-buyer, from the taxi driver through the family motorist and on to those who were willing and able to pay for luxury and performance. This book
