FINANCIAL ACCOUNTING: TOOLS FOR BUSINESS DECISION MAKING, By Paul D. Kimmel in Books, Nonfiction | eBay

Financial Accounting: Tools for Business Decision Making, Ninth Edition, provides a simple and practical introduction to financial accounting. It explains the concepts students need to know, while also emphasizing the importance of decision making. In this new edition, all content has been carefully reviewed and revised to ensure maximum student understanding. At the same time, the time-tested features that have proven to be of most help to students such the student-friendly writing style, visual pedagogy, and the relevant and easy-to-understand examples have been retained.

The new eighth edition of Financial Accounting: Tools for Decision-Making, Canadian Edition by Kimmel, Weygandt, Kieso, Trenholm, Irvine and Burnley continues to provide the best tools for both instructors and students to succeed in their introductory financial accounting class. It helps students understand the purpose and use of financial accounting, whether they plan to become accountants or whether they simply need it for their personal life or career. The book's unique, balanced procedural and conceptual (user-oriented) approach, proven pedagogy and breadth of problem material has made Financial Accounting the most popular introductory text in Canada. This hands-on text, paired with a powerful online teaching and learning environment offers students a practical set of tools for use in making business decisions based on financial information.

This successful book continues to provide accountants with an understanding of the fundamental concepts necessary to use accounting effectively. The sixth edition offers new discussions on IFRS, including new codification numbers, examples of IFRS financial statements, and additional exercises. A look at more recent frauds such as the Bernie Madoff scandal have been added. Enhanced discussions of ethics and international accounting are presented. The coverage of non–cash items and their impact on decision making has been expanded. In addition, comprehensive case studies and problems help accountants tie the material together.

Students get accounting when using Kimmel Accounting with WileyPLUS because we make learning accounting easy and accessible for today's different types of learners. Written in a concise, clear, and conversational way, Kimmel Accounting provides just the right amount of information students need to come to class prepared. With powerful visuals, interactive tutorials, and problem solving videos, Kimmel Accounting makes complex accounting concepts possible to absorb quickly. Starting with the big picture of financial statements, Paul Kimmel shows students why financial and managerial accounting is important to their everyday lives, business majors and future careers. Students using WileyPLUS do real accounting, get real results. With automatically graded practice and homework assignments, and over 2 hours of video based resources per chapter, students come to class prepared and ready for quizzes and exams. With access to 1,000 practice CPA exam review questions powered by Wiley CPAexcel, students check their intermediate accounting knowledge against CPA exam standards. With internship listings powered by AccountingFly, students have a two-week head start on applying to accounting internships across the country. WileyPLUS for Intermediate Accounting 15th Edition prepares students for success in the course, and in the profession. WileyPLUS is sold separately from this text.

Starting with the big picture of financial statements first, Paul Kimmel shows students why financial accounting is important to their everyday lives, business majors, and future careers. Kimmel, Accounting is designed for a two-semester financial and managerial accounting sequence that dedicates equal time financial and managerial accounting topics and teaches the accounting cycle from a corporate perspective.
