Offers questionnaires and self-help activities for educators to analyze their leadership potential and match their leadership style to specific jobs.

This book is for all ministers who are seeking to understand how leadership works and why it can be so difficult. It will be useful as a study book for lay ministers as well and for all who take up a leadership role in local churches. It could also be attractive to lay people who as disciples seek to lead in their places of work with Christian values and behaviours.

Two leadership consultants identify three keys to being a more effective leader: knowing your strengths and investing in others' strengths, getting people with the right strengths on your team, and understanding and meeting the four basic needs of those who look to you for leadership.

God can use your unique gifts, passions and personality to become a better leader. While personality inventories can help you understand your temperament, Olson's model is designed to form fruitful Christian leadership. Coupled with a free online assessment, this book helps pastors and Christian leaders harness gifts and balance weaknesses.

Use this helpful book to learn about the leadership tools to fuel success, grow your team, and become the visionary you were meant to be. True leadership isn't a matter of having a certain job or title. In fact, being chosen for a position is only the first of the five levels every effective leader achieves. To become more than "the boss" people follow only because they are required to, you have to master the ability to invest in people and inspire them. To grow further in your role, you must achieve results and build a team that produces. You need to help people to develop their skills to become leaders in their own right. And if you have the skill and dedication, you can reach the pinnacle of leadership |where experience will allow you to extend your influence beyond your immediate reach and time for the benefit of others. The 5 Levels of Leadership are: 1. Position |People follow because they have to. 2. Permission |People follow because they want to. 3. Production |People follow because of what you have done for the organization. 4. People Development |People follow because of what you have done for them personally. 5. Pinnacle |People follow because of who you are and what you represent. Through humor, in-depth insight, and examples, internationally recognized leadership expert John C. Maxwell describes each of these stages of leadership. He shows you how to master each level and rise up to the next to become a more influential, respected, and successful leader.

This book will be attractive to all ministers who are seeking to understand how leadership works and why it can be so difficult. It would be useful as a study book for lay ministers as well and for all o take up a leadership role in local churches. It could also be attractive to lay people who as disciples seek to lead in their places of work with Christian values and behaviours.

You should worry about your legacy later in your career, at the edge of retirement |right? Not according to Robert Galford and Regina Maruca. In Your Leadership Legacy, these authors argue that thinking about your legacy now makes you a better leader today. Based on stories of top leaders who have shaped successful careers, the book explores the art of "legacy thinking," helping you to formulate a legacy that will exert a positive effect on your work immediately. The authors provide a disciplined approach to framing your legacy, as well as shaping it over time. They start with the idea that your legacy is defined by how others approach work and life as a result of having worked with you. They then demonstrate how to assess your current impact on those around you, strengthen that impact, and pass along the best of yourself in the process. While many leaders "find themselves" and hone their work accordingly only after a major life crisis, Your Leadership Legacy enables all leaders to craft their work and build their legacy unburdened by such crises, and to experience personal satisfaction and achievement throughout their working lives.

Leveraging Your Leadership Style is not your typical leadership book! It takes the guesswork out of the equation and sets readers up for greater success with its exclusive BIT (Behavior Individuality Trait) assessment. Readers will discover their unique leadership style and learn how to maximize their strengths in order to get the results they seek. The book identifies four distinct leadership styles: · The Commander · The Coach · The Counselor · The Conductor Authors John Jackson and Lorraine Bosse-Smith bring forty-plus years of collective business and people experience to this dynamic, fast, yet informative book that will help any people in any position be the leaders God intended them to be.
