Describes the philosophy of the Daily 5 teaching structure and includes a collection of literacy tasks for students to complete daily.

Based on current research, this indispensable resource with a built-in facilitator's guide outlines proven best practices for effective reading instruction.

Using a single Maryland elementary school as a model, a journalist explores the implications of educational reforms for a typical American elementary school, revealing how school budgets and

Online Library First Grade Elementary Open Court

teachers' salaries depend on students' test scores.

Written by a parent and school board member, who first embraced many of the ideas of the modern school reform movement, *Schoolhouse Shams* lays bare much of the mythology and misinformation that underpin many of the failed school reform policies of the last decade. Many of the top strategies of the highly publicized school reform movement already have been tried out in St. Louis with disastrous results. Along with demonstrating the failure of school reform prescriptions to improve education, the experience of St. Louis demonstrates that the ideological premise of the reform movement, that a

Online Library First Grade Elementary Open Court

focus on providing opportunities for private profit-taking will necessarily improve schools, is both wrong and conflicts with the ideals of democracy, accountability, and justice.
