Fluke is a most unusual novel - the first by Moore that I've read, and chosen primarily, even though out of print and gratefully purchased as a used book, because I love whales. I was hoping the book would be more about whale flukes (tails) than the other meanings which he adds on a separate page at the beginning of the book, such as, "A chance occurrence; an accident".

Fluke: Or, I Know Why the Winged Whale Sings: Amazon.co.uk ...

Fluke, or, I Know Why the Winged Whale Sings is a novel by American writer Christopher Moore. Published in 2003, it combines elements of absurdist and fantasy fiction, as well as the author's own brand of social commentary and humor. A serious theme in the novel involves environmentalism, particularly that associated with whales; and the author's personal research-experience with marine ...

Fluke, or, I Know Why the Winged Whale Sings - Wikipedia

Fluke is no exception. This is the story of a couple of marine biologists who have spent decades studying humpback whales and who really just want to know why they sing. From here we get taken on another Christopher Moore ride that is as hilarious and mind bending as the last. Is he the American Neil Gaiman?

But Leboeuf declared the result was a fluke as he criticised Solस्कjaer, while urging the United boss to drop Pogba. The former Chelsea defender told ESPN : "I don't know if there is any ...

Just why do humpback whales sing? That's the question that has marine behavioral biologist Nate Quinn and his crew poking, charting, recording, and photographing very big, wet, gray marine mammals. Until the extraordinary day when a whale lifts its tail into the air to display a cryptic message spelled out in foot-high letters: Bite

me. Trouble is, Nate's beginning to wonder if he hasn't spent just a little too much time in the sun. 'Cause no one else on his team saw a thing -- not his longtime partner, Clay Demodocus; not their saucy young research assistant; not even the spliff-puffing white-boy Rastaman Kona (né Preston Applebaum). But later, when a roll of film returns from the lab missing the crucial tail shot -- and his research facility is trashed -- Nate realizes something very fishy indeed is going on. By turns witty, irreverent, fascinating, puzzling, and surprising, Fluke is Christopher Moore at his outrageous best.

Just why do humpback whales sing? That's the question that has marine behavioral biologist Nate Quinn and his crew poking, charting, recording, and photographing very big, wet, gray marine mammals. Until the extraordinary day when a whale lifts its tail into the air to display a cryptic message spelled out in foot-high letters: Bite me. Trouble is, Nate's beginning to wonder if he hasn't spent just a little too much time in the sun. research facility is trashed -- Nate realizes something very fishy indeed is going on. By turns witty, irreverent, fascinating, puzzling, and surprising, Fluke is Christopher Moore at his outrageous best.

A whale researcher's unusual observation of a humpback whale with "Bite Me" scrawled on its tail starts an adventure involving an age-old conspiracy, a megalomaniac undersea ruler, and a bizarre long-distance love affair.

Fluke is the moving story of a dog with the memories of a human, with the signature twisting plot James Herbert is famed for. A dog wanders the streets, compelled by a ravenous hunger. Hunting a prey he cannot not define, driven by a primal instinct he cannot ignore. He is more than he thinks, more than he can remember and in the depths of his brain the memory of what he once was is clawing for release . . .

From master of subversive humor Christopher Moore comes a quirky, irreverent novel of love, myth, metaphysics, outlaw biking, angst, and outrageous redemption. As a boy, he was Samson Hunts Alone--until a deadly misunderstanding with the law forced him to flee the Crow reservation at age fifteen. Today he is Samuel Hunter, a successful

Santa Barbara insurance salesman with a Mercedes, a condo, and a hollow, invented life. Then one day, destiny offers him the dangerous gift of love—in the exquisite form of Calliope Kincaid—and a curse in the unheralded appearance of an ancient god by the name of Coyote. Coyote, the trickster, has arrived to reawaken the mystical storyteller within Sam...and to seriously screw up his existence in the process.

A mathematical guide to understanding why life can seem to be one big coincidence—and why the odds of just about everything are better than we would think. What are the chances? This is the question we ask ourselves when we encounter the strangest and most seemingly impossible coincidences, like the woman who won the lottery four times or the fact that Lincoln's dreams foreshadowed his own assassination. But, when we look at coincidences mathematically, the odds are a lot better than any of us would have thought. In *Fluke*, mathematician Joseph Mazur takes a second look at the seemingly improbable, sharing with us an entertaining guide to the most surprising moments in our lives. He takes us on a tour of the mathematical concepts of probability, such as the law of large numbers and the birthday paradox, and combines these concepts with lively anecdotes of flukes from around the world. How do you explain

finding your college copy of Moby Dick in a used bookstore on the Seine on your first visit to Paris? How can a jury be convinced beyond a reasonable doubt that DNA found at the scene of a heinous crime did not get there by some fluke? Should we be surprised if strangers named Maria and Francisco, seeking each other in a hotel lobby, accidentally meet the wrong Francisco and the wrong Maria, another pair of strangers also looking for each other? As Mazur reveals, if there is any likelihood that something could happen, no matter how small, it is bound to happen to someone at some time. In *Fluke*, Mazur offers us proof of the inevitability of the sublime and the unexpected. He has written a book that will appeal to anyone who has ever wondered how all of the tiny decisions that happen in our lives add up to improbable wholes. A must-read for math enthusiasts and storytellers alike, *Fluke* helps us to understand the true nature of chance.

When her ex-husband, Chief Detective Sam Ladera, begins acting strangely while hunting for the Video Killer, whose victims resemble an Alfred Hitchcock star, news reporter Katy Ladera attempts to find the truth, which draws her closer to the lens of a twisted psychopath searching for his next leading lady. Original.

When Dr. Elias decides to kill the patients he cannot cure, eight of his patients, who are close to losing their tenuous grip of sanity, must face the madness within to stay alive. Original.

Take a wonderfully crazed excursion into the demented heart of a tropical paradise—a world of cargo cults, cannibals, mad scientists, ninjas, and talking fruit bats. Our bumbling hero is Tucker Case, a hopeless geek trapped in a cool guy's body, who makes a living as a pilot for the Mary Jean Cosmetics Corporation. But when he demolishes his boss's pink plane during a drunken airborne liaison, Tuck must run for his life from Mary Jean's goons. Now there's only one employment opportunity left for him: piloting shady secret missions for an unscrupulous medical missionary and a sexy blond high priestess on the remotest of Micronesian hells. Here is a brazen, ingenious, irreverent, and wickedly funny novel from a modern master of the outrageous.

Not even Lake Eden's nosiest residents suspected Hannah Swensen would go from idealistic newlywed to betrayed wife in a matter of weeks. But as a deadly mystery unfolds in town, the proof is in the pudding . . . When The Cookie Jar becomes the setting of a star-studded TV special about movies filmed in Minnesota, Hannah hopes to shine the

spotlight on her bakery--not the unsavory scandal swirling around her personal life. But that's practically impossible with a disturbing visit from the shifty character she once believed was her one and only love, a group of bodyguards following her every move, and a murder victim in her bedroom. As suspects emerge and secrets hit close to home, Hannah and an old flame team up must serve a hefty helping of justice to an unnamed killer prowling around Lake Eden . . . before someone takes a slice out of her! Features Over a Dozen Cookie and Dessert Recipes from The Cookie Jar! "Hannah's fans will relish following Hannah's journey as she heals and becomes stronger, surrounded by the love of family and the many familiar, quirky residents of Lake Eden." --Booklist
